Re: Kary Gutierrez (License # 582656)

I am writing in order to voluntarily surrender my nursing license to The State Board of Nurse Examiners. I am currently not practicing nursing and have made a decision to change career paths as well as my life. I am a recovering addict have been clean and sober since August 18,2007. I understand that my addiction has affected every area of my life, including my nursing career. However, I do not want to close the door to nursing permanently. I am a good nurse and I truly love the profession, but my recovery must come first and this has led me to this decision. My hope is that one day I can be reinstated as a professional nurse and can provide care to other addicts seeking recovery. I am currently enrolled in college with an emphasis on addiction and recovery. Thank you for your time and consideration. Enclosed is my wallet sized nursing license.
