§ AGREED
§
§
§ ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of MARILYN SUE SEELKE, Registered Nurse License Number 596820, and Vocational Nurse License Number 138991, hereinafter referred to as Respondent. This action was taken in accordance with Section 301.453(c), Texas Occupations Code.

Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.

The Board makes the following Findings of Fact and Conclusions of Law.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was provided to Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas, and holds a license to practice vocational nursing in the State of Texas which is in inactive status.
4. Respondent received a Certificate in Vocational Nursing from Temple Junior College, Temple, Texas, on July 10, 1992, and an Associate Degree in Nursing from McLennan Community College, Waco, Texas, on May 31, 1993. Respondent was licensed to practice vocational nursing in the State of Texas on December 6, 1992, and Respondent was licensed to practice professional nursing in the State of Texas on September 22, 1993.

5. Respondent's nursing employment history includes:

12/92-2/93	LVN	Manor Oaks Nursing Home Rockdale, Texas
2/93-2/94	LVN/RN	Cameron Nursing Home Cameron, Texas
2/93-7/97	LVN/RN	Richards Memorial Hospital Rockdale, Texas
7/97-4/98	Unknown	
5/98-1/00	RN	Johns Community Hospital Taylor, Texas
2/00-12/01	Unknown	
1/02-8/07	RN	Tutor Nursing Home Temple, Texas
9/07-1/12	RN	Richards Memorial Hospital Rockdale, Texas
2/12-Present	Unknown	

6. On or about March 19, 2002, Respondent was issued an Agreed Order by the Board of Nurse Examiners for the State of Texas which required her to participate in and successfully complete the Texas Peer Assistance Program for Nurses (TPAPN). A copy of the Findings of Fact, Conclusions of Law, and Agreed Order dated March 19, 2002, is attached and incorporated, by reference, as part of this Order.

7. On or about August 12, 2003, Respondent's license to practice professional nursing in the State of Texas was issued the sanction of ENFORCED SUSPENSION by the Board of Nurse Examiners for the State of Texas. A copy of the Findings of Fact, Conclusions of Law, and Agreed Order dated August 12, 2003, is attached and incorporated, by reference, as part of this Order.

8. At the time of the initial incident described in Finding of Fact Number Nine (9), Respondent was employed as a Registered Nurse with Richards Memorial Hospital, Rockdale, Texas, and had been in this position for approximately four (4) years and four (4) months.

9. On or about January 4, 2012, while employed with Richards Memorial Hospital, Rockdale, Texas, Respondent engaged in the intemperate use of Methamphetamine in that she submitted a specimen for a random drug screen which resulted positive for Methamphetamine. Possession of Methamphetamine is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). Further, the use of Methamphetamine by a nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
10. In response to Finding of Fact Number Nine (9), Respondent denies methamphetamine use and states the positive was "a false positive." Respondent's claims it must have been due to her recent illness, and the multiple medications she was taking at the time.
11. On or about May, 30, 2013, through June 6, 2013, Respondent underwent a Forensic Psychological Evaluation conducted by Dr. William Lee Carter, and a polygraph examination performed by Marla S. Williams. Following the polygraph examination, Respondent admitted to approximately two (2) months of methamphetamine use prior to the date of the incident described in Finding of Fact Number Nine (9). Dr. Carter opines that Respondent "seems willing to be held to reasonable standards of responsibility," and he feels that Respondent should be "required to intermittently submit to drug screening as a means of holding her accountable...and recommends she "be an active participant in community opportunities, e.g. AA or NA."
12. Respondent, by her signature to this Order, expresses her desire to voluntarily surrender her license(s) to practice nursing in the State of Texas.
13. The Board policy implementing Rule 213.29 in effect on the date of this Agreed Order provides discretion by the Executive Director for consideration of conditional reinstatement after proof of twelve (12) consecutive months of abstinence from alcohol and drugs followed by licensure limitations/stipulations and/or peer assistance program participation.
14. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.

3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.12(1)(E),(5),(10)(A),(10)(D)&(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(9)&(10), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 596820, and Vocational Nurse License Number 138991, heretofore issued to MARILYN SUE SEELKE, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
5. Under Section 301.453(c), Texas Occupations Code, the Board has the authority to accept the voluntary surrender of a license.
6. Under Section 301.453(d), Texas Occupations Code, as amended, the Board may impose conditions for reinstatement of licensure.
7. Any subsequent reinstatement of this license will be controlled by Section 301.453(d), Texas Occupations Code, and 22 TEX. ADMIN. CODE §213.26-.29, and any amendments thereof in effect at the time of the reinstatement.

ORDER
