ADMINISTRATIVE LAW JUDGE
300 WEST 15TH STREET

At the regularly scheduled public meeting on October 17-18, 2013, the Texas Board of Nursing (Board) considered the following items: (1) Order Number 2, *Dismissing Case*, issued by the ALJ in the above cited matter; (2) Staff's recommendation that the Board revoke the Respondent's vocational nursing license by default; and (3) Respondent's recommendation to the Board regarding the above cited matter, if any.

On July 24, 2013, the ALJ convened a hearing on the merits in this matter. Staff of the Board was present for the hearing. However, the Respondent was not present at the hearing, and no one appeared on her behalf. During the hearing on July 24, 2013, Staff introduced evidence into the record demonstrating that Respondent had been sent a Notice of Final Hearing by first class certified mail return receipt requested to her last known address of record maintained by the Board in accordance with 22 Tex. Admin. Code §213.10(a). The ALJ found that Staff's notice was adequate and issued Order No. 2, granting Staff's Motion for Default and dismissing the case from the docket of SOAH and remanding it to the Board for informal disposition on a default basis in accordance with the Government Code §2001.056.

The Board, after review and due consideration of Order Number 2, *Dismissing Case*, issued by the ALJ in the above cited matter, finds that notice of the facts or conduct alleged to warrant disciplinary action has been provided to Respondent in accordance with the Government Code §2001.054(c) and Respondent has been given an opportunity to show compliance with all the requirements of the Occupations Code Chapter 301 (Nursing Practice Act) for retention of Respondent's license to practice vocational nursing in the State of Texas. The Board further finds that the Formal Charges were properly initiated and filed in accordance with the Occupations Code §301.458. The Board further finds that proper and timely notice regarding the violations alleged in the Formal Charges was given to Respondent in accordance with the requirements of the Government Code §2001.051 and §2001.052 and 1 Tex. Admin. Code §155.501. The Board further finds that the Respondent failed to appear in accordance with 22 Tex. Admin. Code Chapter 213 and 1

Tex. Admin. Code §155.501. As a result of the Respondent's failure to appear, the Board has determined that the factual allegations listed in the Formal Charges are to be deemed admitted by default and the Board is authorized to enter a default order against the Respondent pursuant to the Government Code §2001.056 and 22 Tex. Admin. Code §213.22. Further, the Board has determined that it is entitled to revoke the Respondent's vocational nursing license pursuant to 22 Tex. Admin. Code §213.33(m).

Therefore, the Board hereby adopts the factual allegations, which have been deemed admitted, and the conclusions of law contained in the Formal Charges, which are attached hereto and incorporated herein by reference for all purposes, and Staff's recommended sanction of revocation by default. This Order will be properly served on all parties and all parties will be given an opportunity to file a motion for rehearing in accordance with the Government Code Chapter 2001 and 22 Tex. Admin. Code §213.23(l), as applicable. All parties have a right to judicial review of this Order. All proposed findings of fact and conclusions of law filed by any party not specifically adopted herein are hereby denied.

IT IS, THEREFORE, ORDERED THAT Permanent Certificate Number 190060, previously issued to RUTH ANN MCKOY, to practice nursing in the State of Texas be, and the same is hereby, REVOKED.

IT IS FURTHER ORDERED that this Order SHALL be applicable to Respondent's multi-state privileges, if any, to practice nursing in the State of Texas.

FURTHER, pursuant to the Occupations Code §301.467, RESPONDENT is not eligible to petition for reinstatement of licensure until at least one (1) year has elapsed from the date of this Order. Further, upon petitioning for reinstatement, RESPONDENT must satisfy all then existing requirements for relicensure.

Entered this 18th day of October, 2013.
