BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 219818 §
issued to ELDONNA J. BROWN WHITELEY § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of ELDONNA J. BROWN WHITELEY, Registered Nurse License Number 219818, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on July 10, 2013, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Baccalaureate Degree in Nursing from Texas Eastern School, Tyler, Texas, on May 30, 1965. Respondent was licensed to practice professional nursing in the State of Texas on November 29, 1965.
5. Respondent's complete professional nursing employment history is unknown.

6. On or about April 7, 2011, while employed as a Registered Nurse Surveyor with the Texas Department of Aging and Disability Services, Arlington, Texas, and while conducting a survey at Duncanville Healthcare and Rehabilitation Center, Duncanville, Texas, Respondent purposely provoked Resident J.S. into exhibiting aggressive behavior so that she could call the police and have him removed from the facility. Respondent's conduct was likely to injure the residents in that she exposed the residents and staff to a potential risk of unnecessary harm.
7. In response to Finding of Fact Number Six (6), Respondent states the resident aggressively approached her when she got to the facility on April 7, 2011 and appeared to be angry and agitated. She was told that the night before he stole cigarettes from another resident, got into a verbal confrontation about the stolen property, and picked up a chair and threw it toward a dependent elderly resident in a wheelchair. She met with Team Coordinator and other RN Surveyors, and told them about the facility's concerns about the resident. She told the team it would be beneficial for them to interview the resident together and that they should expect his aggressive behavior might escalate as it did earlier when he confronted her. If so, it would be appropriate for the facility staff to call 911 for an immediate response from the police. The resident was asked to join them in the conference room. The resident paced the room, stood up and then sat down repeatedly, and was very agitated. He finally sat down next to Respondent. She asked about the cigarettes and throwing the chair. He got up and refused to answer. He went to the door and she said, "You're not going to talk to me? Are you a chicken?" He came back into the room and started to say something, clenching his fists, and inhaling/exhaling in rapid spurts. He turned around and stormed out of the room, at which point she determined the need to take steps to protect the residents. If he left on his own, they could not adequately ensure resident safety, so she told staff waiting outside the door, "Call 911. He is a threat to the residents."

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(M)&(1)(P) and 22 TEX. ADMIN. CODE §217.12(1)(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 219818, heretofore issued to ELDONNA J. BROWN WHITELEY, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
