BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered § AGREED
Nurse License Number 694364 §
issued to JIJI JAGANATHAN § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of JIJI JAGANATHAN, Registered Nurse License Number 694364, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(9)&(10) and 301.453, Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on November 5, 2013, subject to ratification by the Board.

FINDINGS OF FACT

- 1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
- 2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
- 3. Respondent is currently licensed to practice professional nursing in the State of Texas.
- 4. Respondent received an Associate Degree in Nursing from San Jacinto College, Pasadena, Texas on December 1, 2002. Respondent was licensed to practice professional nursing in the State of Texas on March 4, 2003.
- 5. Respondent's nursing employment history includes:

04/2003 to Present	Staff RN	Ben Taub General Hospital Houston, Texas
--------------------	----------	---

6. At the time of the incidents described in Findings of Fact Numbers Seven (7) through Nine (9), Respondent was employed as a Registered Nurse with Ben Taub General Hospital, Houston, Texas, and had been in this position for approximately ten (10) years.
7. On or about March 15, 2011, while employed as a Registered Nurse with Ben Taub General Hospital, Houston, Texas, and assigned to the emergency room, Respondent may have lacked fitness to practice professional nursing in that she was observed having slurred speech, difficulty standing, and unable to walk without assistance. Respondent's condition could have affected her ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.
8. On or about March 15, 2011, while employed as a Registered Nurse with Ben Taub General Hospital, Houston, Texas, and assigned to the emergency room, Respondent tested positive for Hydrocodone and Hydromorphone. Respondent provided a prescription for the medication. It is the position of the Board that practicing nursing while taking prescription opiates could impair the nurse's ability of safely practice.
9. In response to Findings of Fact Numbers Seven (7) and (8), Respondent became ill prior to her shift and left to go home early. At home, she took medication previously prescribed to her, including Hydrocodone. The next day, she felt worse. However, she elected to check-in for the shift and then leave so as not to miss her shift. During check in, prior to seeing any patients, Respondent appeared and felt very ill. Due to her appearance, she was asked to provide a drug screen. The test was positive, which she told them it would. Respondent later provided a copy of her prescription for the medication. Respondent states she was not impaired, merely ill. Respondent admits it would have been unwise to practice nursing that day. Respondent still works at Ben Taub General Hospital and remains in good standing.
10. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to use of controlled substances even if lawfully prescribed.
11. Formal Charges were filed on July 16, 2012.
12. Formal Charges were mailed to Respondent on July 16, 2012.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.12(5)& (10)(A).

4. The evidence received is sufficient cause pursuant to Section 301.452(b)(9)&(10), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 694364, heretofore issued to JIJI JAGANATHAN, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
