Texas Nursing Board

To The Nursing Board:

This letter is to inform you that due to my disability and not being able to return to work as a nurse I will be surrendering my license to practice as an LVN in the State of Texas. I regret that I was unable to complete requirements that I had agreed to complete since I had to have surgery and unable to travel.

I am totally disabled and have been informed by my neurosurgeon that I am requiring more surgey just to relieve pain.

The surrender of my license is in no way admitting to my guilt, but the pain and damage to my back has limited my activity, therefore rendering me unable to practice as a nurse any longer.

Thank you
