BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 681929 §
issued to DANIELLE HUET COOK § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Bo:

considered the matter of DANIELLE HUET COOK, Registered Nurse License Number 681929,

hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on November 20, 2013, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.

Respondent was licensed to practice professional nursing in the State of Maryland on September 29, 1981, and was licensed to practice professional nursing in the State of Texas on October 15, 2001.
5. Respondent's nursing employment history includes:

Respondent's conduct resulted in incomplete medical records, and was likely to injure the patients in that subsequent care givers would not have accurate information on which to base their care decisions.
8. In response to Finding of Fact Number Seven (7), Respondent states that she documented every patient visit on paper and charted later, at home, electronically. Respondent adds that she got behind in charting due to medical issues, and also did not chart in the patient's homes themselves on the computer because she felt it was impersonal and took away from the visits.
