

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Vocational Nurse License Number 221750 §
issued to FLORA DIANE MAYER § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of FLORA DIANE MAYER, Vocational Nurse License Number 221750 hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on April 3, 2014, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Schreiner College, Kerrville, Texas, on February 2, 2009. Respondent was licensed to practice vocational nursing in the State of Texas on May 12, 2009.
5. Respondent's nursing employment history includes:

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.
Katherine A. Thomas
Executive Director of the Board

Respondent's nursing employment history continued:

4/30/13 - Present Staff Nurse Trinity Mission Health & Rehabilitation Center
Comfort, Texas

6. At the time of the initial incident, Respondent was employed as a staff nurse with Trinity Mission Health and Rehabilitation Center, Comfort, Texas, and had been in this position for three (3) months.
7. On or about August 15, 2013, while employed with Trinity Mission Health and Rehabilitation Center, Comfort, Texas, and caring for Resident D.H., Respondent failed to initiate and maintain appropriate resuscitative measures, including cardiopulmonary resuscitation, when the resident was found unresponsive. Respondent's conduct deprived the resident of resuscitation, which may have contributed to his demise.
8. In response to Finding of Fact Number Seven (7), Respondent admits and states, in part, that on August 15, 2013, at 5:10am, she was notified by a nursing assistant that she thought the resident had died. Respondent went to the resident's room to check his vitals and he had no blood pressure, pulse, oxygen saturations or respirations, and also was cool to the touch. Respondent states that she was confused and checked the chart for a hospice number, however, she realized the resident was not yet in hospice care. Respondent called the Director of Nursing (DON) to report the status of the resident. The DON instructed her to check if he was full code, and she verified that he was. The DON told Respondent to call 911 and start CPR, which she did. Respondent admits that she did not know that the resident was a full code, that she was supposed to do CPR on a deceased resident, and the protocol for a full code on a deceased resident. Respondent states "I now know the first thing to do is call 911, get the crash cart with the board, and start CPR until 911 arrives."

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B)&(1)(M) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B)&(4).
4.
