BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Registered Nurse License Number 692851 §  
issued to CATHERINE BERNADETTE ASTRAN § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of CATHERINE BERNADETTE ASTRAN, Registered Nurse License Number 692851, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on February 4, 2014, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Baccalaureate Degree in Nursing from University of Mary Hardin-Baylor, Belton, Texas, on December 1, 2002. Respondent was licensed to practice professional nursing in the State of Texas on January 28, 2003.
5. Respondent's nursing employment history includes:
 

1/2003- 4/2011	Staff Nurse	Scott and White Memorial Hospital Temple, Texas
----------------	-------------	--

Respondent's nursing employment history continued:

5/2011-7/2011		Unknown
8/2011-Present	Staff Nurse	Lake Pointe Medical Center Rowlett, Texas

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with Lake Pointe Medical Center, Rowlett, Texas, and had been in this position for nine (9) months.
7. On or about May 9, 2012, through May 10, 2012, while employed as a Staff Nurse with Lake Pointe Medical Center, Rowlett, Texas, Respondent administered total parenteral nutrition (TPN) and intravenous lipids to Patient A.S. at the incorrect rates of milliliters/hour. The intravenous lines were switched, resulting in the lipids infusing too quickly instead of at the ordered rate, and the patient's blood triglyceride levels reached 1,757 mg/dL. Respondent's conduct exposed the patient unnecessarily to a risk of harm from possible intravenous lipid overdose.
8. On or about May 9, 2012, through May 10, 2012, while employed as a Staff Nurse with Lake Pointe Medical Center, Rowlett, Texas, Respondent falsely documented in the medical record of the aforementioned Patient A.S. that the TPN and lipids were infusing correctly. Respondent's conduct resulted in an inaccurate medical record and was likely to injure the patient in that subsequent care givers would not have accurate information on which to base their care decisions
9. In response to Findings of Fact Numbers Seven (7) and Eight (8), Respondent states that she erroneously placed the IV tubing into the IV pumps in such a way that caused the TPN to infuse at the lipid rate and lipids at the TPN rate. Respondent states that she noticed the error when the pump alarm sounded at approximately 0530-0600 and she saw the lipid bag was empty. Respondent states that she then corrected the TPN rate and alerted her nursing supervisor and the nurse practitioner. Respondent adds that the next triglyceride level had dropped to 69 mg/dL. Regarding documentation, Respondent states that she documented what she thought was appropriate, and once she realized her error, she attempted to document appropriately regarding the incident.

#### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B),(1)(C),(1)(D)&(1)(M) and 217.12(1)(A),(1)(B)&(4).
