ORDER OF CONDITIONAL ELIGIBILITY

On the date entered below, the Texas Board of Nursing, hereinafter referred to as the Board, considered the NCLEX-PN application and supporting documents filed by VERONICA ALMARAZ, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Information received by the Board produced evidence that PETITIONER may have violated Section 301.452 *et seq.*, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order, offered on February 29, 2008, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. On or about September 13, 2007, Petitioner submitted an NCLEX-PN application requesting a determination of eligibility for licensure in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner received a Certificate in Vocational Nursing from the University of Texas at Brownsville and Southmost College, Brownsville, Texas, on December 14, 2007.
4. Petitioner completed the NCLEX-PN application and answered "No" to the question which reads as follows: *"Have you ever been convicted, placed on community supervision whether or not adjudicated guilty, sentenced to serve jail or prison time or granted pre-trial diversion, or plead guilty, no contest or nolo contendere to any crime in any state, territory or country, or received a court order whether or not a sentence was imposed, including any*

pending criminal charges or unresolved arrests whether or not on appeal (excluding Class C traffic violations)? This includes expunged offenses and deferred adjudications with or without a finding of guilt. Please note that DUIs, DWIs, and Pis must be reported and are not considered minor traffic violations. One time minor in possession [MIP] or minor in consumption [MIC] does not need to be disclosed; therefore, you may answer "No." If you have two or more MIPs or MICs, you must answer "Yes." You may answer "No" if you have previously disclosed a criminal matter otherwise responsive to this question in a renewal and/or licensure form."

5. Petitioner failed to disclose the following criminal history, to wit:

On or about October 14, 1994, Petitioner was charged with the misdemeanor offense of "Theft >\$20<\$500" in the County Court at Law Number One (1) of Cameron County, Texas. On or about November 30, 1994, proceedings were deferred and Petitioner was placed on probation for a period of six (6) months. Petitioner was assessed a fine and court costs in the amount of Two hundred sixty-five dollars (\$265.00). On or about June 1, 1995, Petitioner was discharged from probation and the cause was dismissed.

6. In a letter dated December 19, 2007, Petitioner stated, "On 10/14/1994 I was detained by the mall security in Brownsville, Texas for shoplifting....I was charged with a misdemeanor, put on probation for six months and instructed to attend an institution of higher learning."
7. There is no evidence of any subsequent criminal conduct.
8. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public.
9. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.
10. Petitioner has sworn that her past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with good professional character.
11. Petitioner has been advised that any information found to be incomplete, incorrect, or misleading will be considered and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through misrepresentation.
12. On February 29, 2008, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.

CONCLUSIONS OF LAW

1. The Texas Board of Nursing has jurisdiction over this matter pursuant to Section 301.453, Texas Occupations Code.
2. Petitioner has submitted a petition in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
3. Petitioner's criminal history reflects criminal conduct which is grounds for denial of a license under Section 301.452 *et seq.*, Texas Occupations Code.
4. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452, Texas Occupations Code.
5. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was imposed upon consideration of the factors set out in 22 Texas Administrative Code §213.28 and evaluating the direct relationship to nursing according to Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.
6. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 Texas Administrative Code §213.27, the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
