BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Vocational Nurse License Number 309525 §  
issued to LAURETTA FRANCIS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of LAURETTA FRANCIS, Vocational Nurse License Number 309525, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on May 8, 2014, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Blinn College, Bryan, Texas, on August 2, 2012. Respondent was licensed to practice vocational nursing in the State of Texas on September 13, 2012.
5. Respondent's vocational nursing employment history includes:

09/12 - 11/12	Charge Nurse	Brenham Nursing & Rehab. Center Brenham, Texas
---------------	--------------	---

Respondent's vocational nursing employment history continued:

11/12 - 07/13	Charge Nurse	Copperas Hollow Nursing & Rehab. Caldwell, Texas
07/13 - 03/14	Charge Nurse	Brenham Nursing & Rehab. Center Brenham, Texas
04/14 - Present	LVN	St. Joseph's Hospital Caldwell, Texas

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Brenham Nursing & Rehabilitation Center, Brenham, Texas, and had been in this position for seven (7) months.
7. On or about February 4, 2014, while employed as a Charge Nurse with Brenham Nursing and Rehabilitation in Brenham, Texas, Respondent inadvertently administered 25 units of Lantus (insulin) to Resident Number 2014013 [LH], who was not a diabetic, without a valid physician's order. As a result, Resident LH's blood sugar level dropped to 34, and the resident became lethargic and slow to respond. Subsequently, Resident LH was transported to the emergency room (ER) at Brenham Scott & White Hospital where she was admitted for further evaluation. Respondent's conduct injured the resident in that the administration of insulin to a resident who is not diabetic and without a physician's order could result in the resident suffering from adverse reactions, including a hypoglycemic episode.
8. In response to Finding of Fact Number Seven (7), Respondent states that she started accuchecks at approximately 4:15pm and she had five (5) residents to check and administer insulin. Respondent states she was expected in the dining room at 5:00pm, and when she got to Resident LH's room at 4:30pm she was running behind schedule. Respondent states she approached the resident and stated she was going to test her blood sugar and administer insulin. Respondent states she then administered the dose of Lantus in the resident's abdomen. Respondent explains that the insulin should have been administered to LH's roommate. Respondent further states that immediately after giving the insulin to LH, the resident's daughter asked why Respondent gave her mother insulin if she wasn't a diabetic. Respondent states she immediately notified her supervisor, the Assistant Director of Nurses, the Facility Administrator, and the resident's primary physician. Respondent asserts she monitored LH's condition and checked LH's blood glucose every hour as ordered by the physician. Respondent explains that over the course of several hours, LH's blood glucose levels began to drop, so she notified the physician and the decision was made to transfer LH to the ER at Scott & White in Brenham.

#### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
