BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 772166 §
issued to LAUREN ASHLEY ROANE § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LAUREN ASHLEY ROANE, Registered Nurse License Number 772166, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on January 30, 2014, subject to ratification by the Board.

FINDINGS OF FACT

- 1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
- 2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
- 3. Respondent is currently licensed to practice professional nursing in the State of Texas.
- 4. Respondent received a Baccalaureate Degree in Nursing from the University of Texas at Arlington, Arlington, Texas, on May 14, 2009. Respondent was licensed to practice professional nursing in the State of Texas on July 7, 2009.
- 5. Respondent's nursing employment history includes:

07/2009 - 05/2013	RN	Baylor All Saints Medical Center Fort Worth, Texas
06/2013 - Present	Unknown	

6. At the time of the incident, Respondent was employed as a Registered Nurse with Baylor All Saints Hospital, Fort Worth, and had been in this position for approximately three (3) years and ten (10) months.
7. On or about September 8, 2012, through February 2, 2013, while employed as a Registered Nurse with Baylor All Saints Hospital, Fort Worth, Texas, Respondent withdrew two (2) Oxycodone 5W/APAP, two (2) Hydrocodone 5/325mg and two (2) 4mg vials of Morphine from the Medication Dispensing System for patients AR, BS, and TJ, but failed to document, or accurately and completely document the administration of the medications in the patients' Medication Administration Record (MAR) and/or Nurse's Notes. Respondent's conduct was likely to injure the patients, in that subsequent care givers would rely on her documentation to further medicate the patients which could result in an overdose, and Respondent's conduct placed the hospital in violation of Chapter 481 (Controlled Substances Act) of the Texas Health and Safety Code.
8. On or about September 8, 2012, through February 2, 2013, while employed as a Registered Nurse with Baylor All Saints Hospital, Fort Worth, Texas, Respondent withdrew two (2) Oxycodone 5W/APAP, two (2) Hydrocodone 5/325mg and two (2) 4mg vials of Morphine from the Medication Dispensing System for patients AR, BS, and TJ, but failed to follow the facility's policy and procedure for wastage of the unused portions of the medications. Respondent's conduct left medications unaccounted for, was likely to deceive the hospital pharmacy, and placed the pharmacy in violation of Chapter 481 (Controlled Substances Act) of the Texas Health and Safety Code.
9. In response to Findings of Fact Numbers Seven (7) through Nine (9), Respondent admits to making documentation errors and states she's very remorseful for those errors. However, Respondent denies the misappropriation.
10. Respondent presented for a chemical dependency evaluation by Dr. Jim Womack, Ph.D. on December 5, 2013. Dr. Womack concludes that Respondent's "suspected impairment" involving alcohol or drugs does not prevent her from practicing nursing safely. However, Dr. Womack states her overly obsessive style of considering how to address tasks and carry them out is likely to be a problem. Dr. Womack states Respondent's need to sharply compartmentalize tasks and perform them in a relatively non-distracting setting helps explain her charting problems and her need to be away from others to perform those functions to her satisfaction.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C)&(1)(D) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(1)(C),(4),(10)(B),(10)(C)&(11)(B).

4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 772166, heretofore issued to LAUREN ASHLEY ROANE, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
