In the Matter of Vocational Nurse	§	AGREED
License Number 73611 and Registered	§	
Nurse License Number 254824	§	
issued to BRENDA S. HAMNER	§	ORDER

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.  
*Katherine A. Thomas*  
Executive Director of the Board

On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of BRENDA S. HAMNER, Vocational Nurse License Number 73611 and Registered Nurse License Number 254824, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10) & (13), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on August 9, 2007, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas and holds a license to practice vocational nursing which is in Delinquent status.
4. Respondent received a Certificate in Vocational Nursing from Vocational Nursing School, San Angelo, Texas, on August 25, 1977, and received an Associate Degree in Nursing from Angelo State University, San Angelo, Texas, on May 1, 1981. Respondent was licensed to practice vocational nursing in the State of Texas on November 22, 1977, and to practice professional nursing in the State of Texas on September 8, 1981.
5. Respondent's vocational and professional nursing employment history includes:

11/77 - 5/88	Unknown	
5/88 - 8/90	Charge Nurse	Ballinger Memorial Hospital Ballinger, Texas
6/88 - 7/90	Staff Nurse	North Runnels Home Health Agency Winters, Texas
9/90 - 6/93	ADON	Meadow Creek Nursing Center San Angelo, Texas
7/93 - present	Staff Nurse	San Angelo State School San Angelo, Texas

6. At the time of the incident in Finding of Fact Number Seven (7), Respondent was employed as a Staff Nurse with San Angelo State School, San Angelo, Texas, and had been in this position for twelve (12) years and nine (9) months.
- 
7. On or about April 13, 2006, while employed with San Angelo State School, San Angelo, Texas, Respondent failed to institute the appropriate nursing interventions for Consumer BK, who experienced a significant cardiac event, had stopped breathing, was without pulse, and subsequently died. Although Respondent initiated cardiopulmonary resuscitation (CPR), she declined the use of an Automated External Defibrillator (AED), when offered by her supervisor. Respondent's conduct deprived the patient of early detection of a significant cardiac event and emergent treatment by application of electrical therapy which would have allowed the heart to re-establish an effective rhythm, and may have prevented the patient's demise.
8. Respondent states that when her supervisor asked her if she needed the AED she declined because she didn't know what he meant. In retrospect, Respondent states that she can see how she erred not using the AED immediately and realized this as soon as the event was over. Respondent states that this mistake was due to the stress she was feeling, her previous experiences with actual codes before AEDs were a part of the process and the lapse of time since she had taken a CPR class.
9. Respondent completed a CPR and Basic Cardiac Life Support (BCLS) on May 5, 2006, which would have been a requirement of this Order.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10) & (13), Texas Occupations Code, 22 TEX. ADMIN. CODE §217.11(1)(B)&(M) and 22 TEX. ADMIN. CODE §217.12(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 73611 and Registered Nurse License Number 254824, heretofore issued to BRENDA S. HAMNER, including revocation of Respondent's licenses to practice vocational and professional nursing in the State of Texas.
