Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Vocational Nurse License Number 218478 §
issued to RUTH MARIZA BOSQUEZ § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of RUTH MARIZA BOSQUEZ, Vocational Nurse License Number 218478, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on May 21, 2014.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Ranger Junior College - Graham Extension, Graham, Texas, on August 9, 2009. Respondent was licensed to practice vocational nursing in the State of Texas on October 7, 2008.
5. Respondent's nursing employment history includes:

10/2008 - 3/2012	Staff Nurse	Western Hills Nursing Home Comanche, Texas
------------------	-------------	---

Respondent's nursing employment history continued:

3/2012 - Present	Staff Nurse	Silverado Senior Living Irving, Texas
------------------	-------------	--

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with Western Hills Nursing Home, Comanche, Texas, and had been in that position for three (3) years and five (5) months.
7. On or about March 30, 2012, while working as a Staff Nurse with Western Hills Nursing Home, Comanche, Texas, Respondent mistakenly injected sixty (60) cc of sterile water into the already inflated thirty (30) cc balloon of the indwelling Foley catheter of Resident Number 1391 instead of irrigating the catheter, as ordered. Afterwards, the resident complained of lower abdominal pain with abdominal distention and was transported to the hospital, where it was determined that the resident's urethra had ruptured and the resident required placement of a permanent supra-pubic catheter. Respondent's conduct caused the resident's urethra to rupture and the resident to suffer pain unnecessarily, and may have contributed to the resident requiring placement of a permanent supra-pubic catheter.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that it was reported to her that the resident had not voided during the previous shift, so she assessed the resident and obtained an order to check the Foley catheter for kinks, advance the Foley catheter, and/or flush the Foley catheter with 60 cc of sterile water if the other orders were unsuccessful. Respondent states she checked the catheter for kinks and found none and the nurse from the prior shift stated "she had advanced the Foley catheter and was unsuccessful." Respondent explains that she did not advance the Foley catheter, based on the prior nurse's statement, and she then flushed the Foley catheter with the 60 cc of sterile water. According to Respondent, the resident tolerated the procedure well and voiced no complaints at that time; however, later in the shift, the resident voiced discomfort and was sent to the hospital.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C),(1)(M)&(2)(A), and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 218478, heretofore issued to RUTH MARIZA BOSQUEZ.
