BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 770078 §
issued to ASHLEY ELIZABETH BARRETT § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ASHLEY ELIZABETH BARRETT, Registered Nurse License Number 770078, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on June 19, 2014, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Baccalaureate Degree in Nursing from Texas Tech University, Lubbock, Texas on May 16, 2009. Respondent was licensed to practice professional nursing in the State of Texas on June 18, 2009.
5. Respondent's nursing employment history includes:

06/2009 - 06/2012 RN Baylor Medical Center of Garland
Garland, Texas

Respondent's nursing employment history continued:

07/2012 - Present Unknown

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Baylor Medical Center of Garland, Garland, Texas, and had been in this position for three (3) years.
7. On or about June 1, 2012, through June 26, 2012, while employed with Baylor Medical Center of Garland, Garland, Texas, Respondent failed to adequately assess patients upon the start of her assigned shift. Furthermore, Respondent falsely documented she completed head to toe assessments of these patients. Respondent's conduct was likely to injure the patients in that subsequent care givers would rely on her documentation to formulate clinical care decisions.
8. In response to Finding of Fact Number Seven (7), Respondent states: "I always completed assessments on my patients. This assessment process began immediately after starting work with bedside shift report. Much of my assessments were completed during this time. Per hospital policy, we went in each room, woke up patient and were required to speak to the patients, assess skin, IV sites, any lines including foleys, drains and tubes, any surgical sites, and anything else that was of current concern, Afterwards, I tried to complete any assessments as soon as possible, as this was a very busy floor and we were often understaffed. Sometimes this meant being rushed, and for that I am sorry."

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(D),(1)(M)&(3)(A). and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(1)(C),(4)&(6)(A).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 770078, heretofore issued to ASHLEY ELIZABETH BARRETT, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
