BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Registered Nurse License Number 702069 §  
issued to SABRINA LOU FIFE § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of SABRINA LOU FIFE, Registered Nurse License Number 702069, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on September 5, 2014.

## FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from Central Texas College, Killeen, Texas, on December 12, 2003. Respondent was licensed to practice professional nursing in the State of Texas on January 20, 2004.
5. Respondent's nursing employment history includes:

1/2004 - 3/2006

## Registered Nurse

## King's Daughter Hospital Temple, Texas

Respondent's nursing employment history continued:

3/2006 - Present

Registered Nurse

Metroplex Hospital  
Killeen, Texas

6. At the time of the incidents, Respondent was employed as a Registered Nurse with Metroplex Hospital, Killeen, Texas, and had been in that position for seven (7) years.
7. On or about March 6, 2013, while employed as a Registered Nurse with Metroplex Hospital, Killeen, Texas, Respondent discontinued a Dopamine infusion prior to transferring Patient Number 164964 out of the emergency room, without having a physician's order to stop the infusion. Subsequently, the patient's blood pressure dropped to 86/40 mmHg requiring increased monitoring and vasoactive support. Respondent's conduct was likely to injure the patient in that failure to administer medications as ordered by the physician could have resulted in non-efficacious treatment of the patient's heart condition.
8. On or about March 6, 2013, while employed as a Registered Nurse with Metroplex Hospital, Killeen, Texas, Respondent falsely documented in the medical record of the aforementioned Patient Number 164964 that the patient was transported off the unit with an intravenous (IV) medication pump, when in fact the patient was disconnected from the Dopamine infusion for transport. Respondent's conduct resulted in an inaccurate medical record and was likely to injure the patient in that subsequent care givers would not have accurate and complete information on which to base their care decisions.
9. In response to the incidents in Findings of Fact Number Seven (7) and Eight (8), Respondent states that she was unable to transfer the triple channel pump to the IV pole on the stretcher without assistance, and all single channel pumps were in use. Respondent states that she clamped the infusion, transported the patient to the floor and then restarted the infusion at that time. Respondent states that she was told to return to the floor to help stabilize the patient's blood pressure when she was informed it had dropped.

#### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C),(1)(D)&(1)(M) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(4)&(6)(A).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas

Occupations Code, to take disciplinary action against Registered Nurse License Number 702069, heretofore issued to SABRINA LOU FIFE.
