BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 813953 §
issued to VANESSA LOZANO § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of VANESSA LOZANO, Registered Nurse License Number 813953, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on September 15, 2014.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from Texas Southmost College, Brownsville, Texas, on December 17, 2011. Respondent was licensed to practice professional nursing in the State of Texas on February 3, 2012.
5. Respondent's nursing employment history includes:

2/2012-6/2013	Staff Nurse	Valley Regional Medical Center Brownsville, Texas
---------------	-------------	--

Respondent's nursing employment history continued:

7/2013-Present

Unknown

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with Valley Regional Medical Center, Brownsville, Texas, and had been in that position for eleven (11) months.
7. On or about January 31, 2013, while employed as a Staff Nurse with Valley Regional Medical Center, Brownsville, Texas, Respondent failed to timely notify the physician of Patient Number VR00292735 that the patient had sustained elevated blood pressure readings. Respondent's conduct exposed the patient to risk of harm by depriving the physician of vital information that would be required to institute timely medical interventions to stabilize the patient's blood pressure.
8. On or about May 23, 2013, while employed as a Staff Nurse with Valley Regional Medical Center, Brownsville, Texas, Respondent failed to document in the fluid administration record of Patient Number VR00297482 regarding intravenous fluids administered to the patient. Respondent's conduct resulted in an incomplete medical record and was likely to injure the patient in that subsequent care givers would not have accurate and complete information on which to base their care decisions.
9. On or about May 23, 2013, while employed as a Staff Nurse with Valley Regional Medical Center, Brownsville, Texas, Respondent failed to intervene and notify the physician of the aforementioned Patient Number VR00297482 when the patient had low urine output during Respondent's shift, despite multiple fluid boluses administered. Subsequently, the patient required a cesarian section delivery and was found to have a distended bladder with a non-draining Foley catheter. Respondent's conduct exposed the patient to risk of harm by depriving the physician of vital information that would be required to institute timely medical interventions to stabilize the patient's condition.
10. In response to the incidents in Findings of Fact Numbers Seven (7) through Nine (9), regarding Patient Number VR00297482, Respondent states that there was urine flashback when she inserted the Foley catheter. Respondent states that after her shift, the oncoming nurse did not document regarding any problems with urine output or placement of the catheter. Respondent states that she asked the oncoming nurse to keep an eye on the patient's urine output because it was concentrated and on the low side.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B),(1)(D),(1)(M),(1)(P)&(3)(A) and 217.12(1)(A),(1)(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 813953, heretofore issued to VANESSA LOZANO, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
