BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 589614 §
issued to LEANG VIOLAND § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LEANG VIOLAND, Registered Nurse License Number 589614, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on November 9, 2014.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree in Nursing from The University of Texas Health Science Center-San Antonio, San Antonio, Texas, on December 12, 1992. Respondent was licensed to practice professional nursing in the State of Texas on March 23, 1993.
5. Respondent's nursing employment history includes:

6/1993-5/1994	Registered Nurse	St. Paul Southwest University Hospital Dallas, Texas
5/1994-4/1995	Registered Nurse	St. David's Medical Center Dallas, Texas

Respondent's nursing employment history continued:

4/1995-11/1995	Registered Nurse	North Austin Medical Center Austin, Texas
12/1996-2/1996	Unknown	
3/1996-11/2011	Registered Nurse	Seton Family of Hospitals Austin, Texas
12/2011-2/2012	Unknown	
3/2012-5/2014	Registered Nurse	Sagebrook Health Center Cedar Park, Texas
6/2014-Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Sagebrook Health Center, and had been in that position for two (2) years and two (2) months.
7. On or about May 28, 2014, while employed as a Registered Nurse with Sagebrook Health Center, Cedar Park, Texas, Respondent failed to assess Resident Medical Record Number 7080, when a Certified Nurse Assistant (CNA) informed her that the resident was gurgling and thought the resident may need suctioning. Without visualizing or assessing the resident, Respondent told the CNA the patient had a cold and would be fine. At around 14:30 the resident was found in her bed unresponsive with her mouth full of yellowish foam and an oxygen saturation of 78%. The resident was suctioned, 911 was called and the patient was transported to an emergency hospital. Respondent's conduct exposed the resident unnecessarily to risk of harm from delaying treatment.
8. In response to Finding of Fact Number Seven (7), Respondent states she was on the lunch duty this day and that she was away from the floor for about three (3) hours passing trays, checking diets, checking fluids, and helping to feed the residents. Respondent states that when she left her hall around 11:30 she checked the resident, who was in bed, and asked two (2) CNAs to keep an eye on the resident and to let her know if anything was needed. Respondent states that around 13:30 a CNA, who was responsible for checking the halls but not one of the two (2) CNAs who were responsible for the resident or familiar with the resident's medical record, told her that the resident might need suctioning. Respondent states that before she was able to safely leave her immediate responsibilities, the DON notified her that they had to immediately check on the resident, which they did. Respondent states that the resident's symptoms were consistent with Pulmonary Edema which happens rapidly without any signs or warnings.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.

3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B),(1)(D),(1)(M)&(3)(A) and 217.12(1)(A),(1)(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 589614, heretofore issued to LEANG VIOLAND.
