BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 635039 §
issued to TOMMY ERNEST LUJAN § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of TOMMY ERNEST LUJAN, Registered Nurse License Number 635039, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on January 16, 2015.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from Eastern New Mexico University, Roswell, New Mexico, on May 1, 1996. Respondent was licensed to practice professional nursing in the State of Texas on October 25, 1996.
5. Respondent's professional nursing employment history includes:

10/96 - 03/97	Unknown	
04/97 - 07/04	RN	Texas Tech University Health Science Center - CMHC - John T. Montford Unit, Lubbock, Texas

Respondent's professional nursing employment history continued:

09/99 - 09/06	RN	SMC Health Resource Lubbock, Texas
11/02 - 08/05	RN	Advantage Nurse Staffing Lubbock, Texas
06/04 - 12/04	RN	Response One Nurse Staffing El Dorado Hills, California
08/05 - 01/07	RN	Caprock Home Health Service Lubbock, Texas
09/06 - 09/09	RN	Lubbock State School Lubbock, Texas
09/09 - 10/11	RN	Mi Casita Care Center Lubbock, Texas
10/11 - 06/12	RN	Crown Point Rehabilitation Facility Lubbock, Texas
07/12 - 09/12	Unknown	
10/12 - Present	RN	Texas Tech University Health Science Center - CMHC - John T. Montford Unit, Lubbock, Texas

6. At the time of the initial incident, Respondent was employed as Registered Nurse with Texas Tech University Health Science Center - John T. Montford Unit, Lubbock, Texas, and had been in that position for ten (10) months.
7. On or about August 29, 2013, while employed with Texas Tech University Health Sciences Center - Correctional Managed Health Care - John T. Montford Unit, Lubbock, Texas, Respondent administered two (2) doses of Epinephrine 1mg to Patient Number 1826907, following Advanced Cardiac Life Support (ACLS) protocol, but without a current ACLS certification. Additionally, Respondent exceeded his scope of practice in that he discontinued cardiopulmonary resuscitation (CPR) prior to the arrival of emergency medical services (EMS), and without a physician's order. Respondent's conduct unnecessarily exposed the patient to risk of injury from inappropriate and/or non-efficacious ACLS techniques, and deprived the patient of resuscitation, which may have contributed to the patient's demise.
8. In response to Finding of Fact Number Seven (7), Respondent states that when he arrived, the code was already in progress. Respondent states the automated external defibrillator (AED) and the heart monitor, as well as electrocardiogram (EKG), were in use. Respondent

states the EKG reflected PEA (Pulseless Electrical Activity)-vs-Asystole. Respondent states he read the algorithm and decided to administer the first dose of Epinephrine (Epi) as a life saving attempt. Respondent states after one more cycle, the algorithm called for another dose of Epi. Respondent further states that after the final cycle, the cardiac pattern never converted and he determined that the patient was unable to be revived. Respondent states that he asked the licensed vocational nurse (LVN) to call the on-call provider and was told that the provider said he was "on his own." Respondent states that since EMS had not arrived, and he had decided that the patient was not going to revive on his own, he called the code.

9. On or about September 5, 2013, Respondent completed a course in Advanced Cardiac Life Support (ACLS), which would have been a requirement in this order.

3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C),(1)(M),(1)(P)&(3) and 22 TEX. ADMIN. CODE §217.12(1)(A), (1)(B)&(4).
