BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 766493 §
issued to SHELLIE ANNETTE HAMILTON § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of SHELLIE ANNETTE HAMILTON, Registered Nurse License Number 766493, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on March 25, 2015.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from Amarillo College, Amarillo, Texas, on December 12, 2008. Respondent was licensed to practice professional nursing in the State of Texas on March 10, 2009.
5. Respondent's nursing employment history includes:

3/09 - 9/10	Staff Nurse	Texas Department of Criminal Justice Amarillo, Texas
-------------	-------------	---

Respondent's nursing employment history continued:

10/10	Staff Nurse	Amarillo Endoscopy Amarillo, Texas
11/10 - 5/11	Staff Nurse	Northwest Texas Hospital Amarillo, Texas
6/11 - Present	Charge Nurse Clements Unit	Texas Department of Criminal Justice Amarillo, Texas

6. On January 31, 2012, Respondent's license to practice professional nursing in the State of Texas was issued Remedial Education through an Agreed Order. A copy of the Findings of Fact, Conclusions of Law, Respondent's Statement of Agreement, and Agreed Order dated January 31, 2012, is attached and incorporated herein by reference.
7. At the time of the incident in Finding of Fact Number Eight (8), Respondent was employed as a Charge Nurse with Texas Department of Criminal Justice and assigned to Clements Unit, Amarillo, Texas, and had been in that position for two (2) years and eleven (11) months.
8. On or about May 22, 2014, while employed as a Charge Nurse with Texas Department of Criminal Justice and assigned to Clements Unit, Amarillo, Texas, Respondent attempted to flush the port-a-cath of Inmate Number 628572, without success. While attempting this procedure, Respondent noted swelling on the outer edge of the port-a-cath indicating a possible occlusion. The facility had no policy and procedure in place allowing nurses to perform the procedure, and Respondent had no documented training and/or competency/proficiency skills checked before performing the procedure. Respondent's conduct exposed the patient unnecessarily to a risk of harm from improper interventions by an individual whose training may have been inadequate to provide proper care.
9. In response to the incident in Finding of Fact Number Eight (8), Respondent states that when she attempted to flush the patient's port-a cath with Normal Saline, she noted the outer edge of the port-a-cath began to swell. Respondent states that she was unable to obtain blood return. Respondent explains that she immediately notified the physician and he assessed the patient's port-a-cath. A chest x-ray was ordered to check for patency of the port-a-cath. Respondent goes on to explain that the chest x-ray was normal. The physician then requested that Respondent contact an oncology clinic in Montford to schedule an appointment since they did not have the "clot busting medication."
