Katherine A. Thomas
Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of
Registered Nurse License Number 646207
issued to DOLORES SANCHEZ

§ AGREED
§
§ ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of DOLORES SANCHEZ, Registered Nurse License Number 646207, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on March 23, 2015.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from Angelo State University, San Angelo, Texas, on May 1, 1997. Respondent was licensed to practice professional nursing in the State of Texas on October 28, 1997.
5. Respondent's nursing employment history includes:

10/1997-6/2007

Unknown

Respondent's nursing employment history continued:

7/2007-Present

Registered Nurse
Charge Nurse

Hendrick Medical Center
Abilene, Texas

6. On or about August 8, 2006, Respondent was issued the sanction of WARNING WITH STIPULATIONS through an Agreed Order by the Board. A copy of the Findings of Fact, Conclusions of Law and Order dated August 8, 2006, is attached and incorporated by reference as part of this Order.
7. At the time of the incidents, Respondent was employed as a Registered Nurse (RN) Charge Nurse with Hendrick Medical Center, Abilene, Texas, and had been in that position for seven (7) years and four (4) months.
8. On or about November 4, 2014, while employed as a RN Charge Nurse with Hendrick Medical Center, Abilene, Texas, Respondent failed to reassign Patient Number 0777373 from the care of a licensed vocational nurse (LVN) to an RN when the patient had a change in condition, which was outside of the LVN's scope of practice. The patient's condition continued to decline and required transfer to a higher level of care. Respondent's conduct exposed the patient to a risk of harm from assessments and interventions performed without the judgement of a registered nurse.
9. On or about November 4, 2014, while employed as a RN Charge Nurse with Hendrick Medical Center, Abilene, Texas, Respondent failed to document assessments of the aforementioned Patient Number 0777373 in the patient's medical record. Respondent's conduct resulted in an incomplete medical record and was likely to injure the patient in that subsequent care givers would not have accurate and complete information on which to base their care decisions.
10. In response to the incidents in Findings of Fact Numbers Eight (8) and Nine (9), Respondent states that she first assessed the patient when the primary nurse, a licensed vocational nurse, reported that the patient was confused. Respondent states that at that time she called the physician to report the change in condition and received orders to administer lactulose, administer a fluid bolus, and to check ammonia level. Respondent states that she also received an order to transfer the patient to telemetry, but there was no bed available at the time. Respondent states that the primary nurse did take vital signs after administration of the fluid bolus, which showed improvement in blood pressure, and this was written on a piece of paper. At that time, Respondent states that the physician came by to see the patient and she informed him of the vital signs and unavailability of a telemetry bed.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B),(1)(D),(1)(M)&(1)(S) and 217.12(1)(A),(1)(D)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 646207, heretofore issued to DOLORES SANCHEZ, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
