issued to STACEY SMYTH HALL § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of STACEY SMYTH HALL, Registered Nurse License Number 779769, hereinafter referred to as Respondent.

Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on May 15, 2015.

Respondent falsely documented in the resident's medical record that she received an advanced nurse practitioner telephone order to administer Phenergan, 25mg, by mouth, twice a day as necessary. Respondent then falsely modified the Phenergan order to appear as a physician's facility Standing Order for Phenergan. Respondent's conduct placed the resident at risk for complications associated with Phenergan to include severe drowsiness, confusion, agitation, and weak or shallow breathing. Additionally, Respondent's conduct was likely to injure the resident in that subsequent care givers would rely on her documentation to further medicate the resident.
9. In response to Finding of Fact Number Eight (8), Respondent states the resident was complaining of nausea. She states she checked her medications cart and the resident had a blister pack of Phenergan, 25 mg tablets. Respondent states she administered a tablet to the

Respondent states she notified the nurse practitioner who told her to write a telephone order, per the standing order, for Phenergan, 12.5 mg, by mouth, to cover herself. She states she wrote out the order and read it back to the nurse practitioner for confirmation.
