BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Vocational Nurse License Number 202404 §  
issued to CORINNA ANN SANCHES § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of CORINNA ANN SANCHES, Vocational Nurse License Number 202404, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on July 1, 2015.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Vernon College, Wichita Falls, Texas, on December 15, 2005. Respondent was licensed to practice vocational nursing in the State of Texas on January 24, 2006.
5. Respondent's nursing employment history includes:
 

1/06 - 7/07	Unknown
-------------	---------

Respondent's nursing employment history continued:

8/07 - 9/09	Staff Nurse	BestCare Health Services Wichita Falls, Texas
10/09 - 3/10	Unknown	
4/10 - 6/13	Staff Nurse	Trinity Mother Frances Hospital Tyler, Texas
7/13 - 8/13	Unknown	
9/13 - 2/14	Staff Nurse	Genesis Pediatrics Paris, Texas
<hr/>		
3/14 - 6/14	Staff Nurse	Epic Health Services San Antonio, Texas
7/14 - 10/14	Staff Nurse	Maxim Healthcare Services San Antonio, Texas
11/14 - Present	Unknown	

6. At the time of the incident in Finding of Fact Number Seven (7), Respondent was employed as a Staff Nurse with Maxim Healthcare Services, San Antonio, Texas, and had been in that position for two (2) months.
7. On or about September 5, 2014, while employed as a Staff Nurse with Maxim Healthcare Services, San Antonio, Texas, and providing nursing care to Patient Medical Record Number 527533479, Respondent failed to apply pulse oximeter on the patient during the night shift, as required. Furthermore, Respondent failed to administer the evening dose of Lacri-Lube Eye Ointment, as ordered by the physician. Respondent's conduct was likely to injure the patient in that failure to apply the pulse oximeter at night could result in the patient experiencing the onset of undetected respiratory distress, and failure to administer Lacri-Lube Eye Ointment could result in non-efficacious treatment of the patient's dry eye condition.
8. On or about September 5, 2014, while employed as a Staff Nurse with Maxim Healthcare Services, San Antonio, Texas, and providing nursing care to Patient Medical Record Number 527533479, Respondent falsely documented that "spot checks" of the patient's oxygen saturation were performed. At approximately 0215, Respondent documented the oxygen saturation at 97%. Furthermore, Respondent falsely documented that one hundred milliliters (mls) of normal saline was administered at 0300. However, according to a surveillance camera set up by the patient's parents, these treatments were not performed by Respondent.

Respondent's conduct resulted in an incomplete, inaccurate medical record, and was likely to injure the patient in that subsequent care givers would rely on her documentation in order to provide further patient care.

9. On or about September 5, 2014, while employed as a Staff Nurse with Maxim Healthcare Services, San Antonio, Texas, and providing nursing care to Patient Medical Record Number 527533479, Respondent was observed sitting on the couch looking at her cell phone from 2209 until 2430, then from 2435 until 0450 Respondent was observed watching a movie on the patient's iPad. Respondent's conduct could have resulted in the patient not getting the care that he needed.
10. In response to the incidents in Findings of Fact Numbers Seven (7) through Nine (9), Respondent states, "I'm sorry I didn't check the Plan of Care thoroughly to see continuous pulse ox. Patient had not been on one." Respondent explains that she was able to "spot check" ~~patient with portable one and O2 was fine.~~ Respondent admits that she did play games on her phone in order to stay awake. Respondent goes on to explain that she had taken allergy medication. Respondent asserts that she was able to glance up to observe the patient when any movement/noise was made. Respondent also states that she is "sincerely sorry that I did not get permission from the family to use the patient's iPad." Respondent adds that it was in the patient's room and she assumed it was okay.
