BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 800809 §
issued to REBECCA JANE COLLINS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of REBECCA JANE COLLINS, Registered Nurse License Number 800809, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on July 27, 2015.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree in Nursing from The University of Houston Victoria School of Nursing, Victoria, Texas, on December 11, 2010. Respondent was licensed to practice professional nursing in the State of Texas on May 26, 2011.
5. Respondent's nursing employment history includes:

5/2011-10/2013	Manager	Harris County Home Health Services Houston, Texas
----------------	---------	--

Respondent's nursing employment history continued:

12/2013-3/2014	Private Duty Nurse	Bellaire Home Health Care Houston, Texas
2/2014-Present	Field Nurse	Medical Insights Houston, Texas
5/2014-3/2015	Staff Nurse	Vita Living Houston, Texas

6. At the time of the incident, Respondent was employed as a Staff Nurse with Vita Living, Houston, Texas, and had been in that position for five (5) months.
7. On or about October 13, 2014, through October 20, 2014, while employed as a Staff Nurse with Vita Living, Houston, Texas, Respondent failed to call in refills of Trileptal, a seizure medication, for Patient C.B. when house staff reported to her that the medication was running low, and failed to ensure that the patient received her seizure medications as ordered by the physician. Subsequently, the patient did not receive scheduled doses of Trileptal for four (4) days and experienced breakthrough seizures, requiring hospitalization and medication adjustment. Respondent's conduct was likely to injure the patient in that failure to administer medications as ordered by the physician could have resulted in non-efficacious treatment of the patient's seizure disorder.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that she has no recollection of ever being called to refill seizure medications for this patient. Respondent states that she would have been the person who received any calls but her records do not indicate that such a call was made. Respondent clarifies that her position was an on-call nurse and she herself did not administer medication to patients. Respondent states that her job with Vita Living includes assessments, chart reviews, and to make sure that the patients are in compliance with physician's orders.
