BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Vocational Nurse License Number 307508 §  
issued to CLAUDIA ELENA MEDINA § ORDER

An investigation by the Texas Board of Nursing, hereinafter referred to as the Board, produced evidence indicating that CLAUDIA ELENA MEDINA, Vocational Nurse License Number 307508, hereinafter referred to as Respondent, may be subject to discipline pursuant to Sections 301.452(b)(10)&(13) and 301.453, Texas Occupations Code.

An informal conference was conducted on September 29, 2015, in accordance with Section 301.464, Texas Occupations Code. Respondent appeared in person.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Austin Community College, Austin, Texas on May 20, 2012. Respondent was licensed to practice vocational nursing in the State of Texas on June 7, 2012.
5. Respondent's nursing employment history includes:

8/2012 - 8/2013      Licensed Vocational Nurse      Rosy Home Health Care  
Austin, Texas

8/2013 - 1/2015      Licensed Vocational Nurse      Senior Care Center-Onion  
Creek  
Austin, Texas

Respondent's nursing employment history continued:

1/2015 - Present      Licensed Vocational Nurse      CommUnity Care  
Austin, Texas

6. At the time of the incident, Respondent was employed as a Licensed Vocational Nurse with Senior Care Center-Onion Creek, Austin, Texas, and had been in that position for one (1) year and five (5) months.
7. On or about January 3, 2015, while employed as a Licensed Vocational Nurse with Senior Care of Onion Creek, Austin, Texas, Respondent failed to provide appropriate interventions when she did not properly ventilate Patient Number 707 with an ambu-bag, and failed to properly provide oxygen to the patient while cardiopulmonary resuscitation (CPR) was being performed. Further, Respondent did not provide adequate compressions during CPR due to the fact the compressions were being performed on the patient's soft bed instead of using the facility lift to transport the patient to the floor, which would have been a more appropriate surface to give effective compressions. Subsequently, the patient died of severe anoxic brain injury. Respondent's conduct likely led to the patient's demise as the patient could have benefitted from appropriate medical interventions.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states her role that night in caring for Patient Number 707 during the incident was supportive. Respondent states she attempted to do compressions because that was what the automated external defibrillator (AED) was stating. Respondent states she knows now the patient should have been bagged immediately with oxygen.

#### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B),(1)(M)&(2)(A) and 217.12(1)(A),(1)(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 307508, heretofore issued to CLAUDIA ELENA MEDINA.
