Thomas, MN, RN, Executive Director.

Respondent's complete professional nursing employment history includes (continued):

06/10-Present                      Unknown

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Parkland Health and Hospital System, Dallas, Texas, and had been in this position for approximately fourteen (14) years and four (4) months.
7. On or about March 2010, while employed as a Registered Nurse with Parkland Health and Hospital System, Respondent misappropriated two (2) vials of insulin belonging to patients, who had been discharged from the hospital leaving the insulin vials at the hospital for waste. Respondent's conduct was likely to defraud the facility of the cost of the medications.
8. In Response to Finding of Fact Number Seven (7), Respondent states a friend of hers was in financial crisis and needed insulin and she asked her floor pharmacist if it would be okay to take two partial vials of regular insulin to a friend that desperately needed it.
