BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Vocational Nurse License Number 85879 §
issued to ROSALIND HILL § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ROSALIND HILL, Vocational Nurse License Number 85879, hereinafter referred to as Respondent.

This action was taken in accordance with Section 301.453(c), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Order.

The Board makes the following Findings of Fact and Conclusions of Law.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Central Texas College Vocational Nursing, Austin, Texas, on March 7, 1980. Respondent was licensed to practice vocational nursing in the State of Texas on April 15, 1980.
5. Respondent's nursing employment history includes:

1980 - 1990	Staff Nurse	St. David's Hospital Austin, Texas
-------------	-------------	---------------------------------------

Respondent's nursing employment history continued:

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with Draco Services, Austin, Texas, and had been in that position for one (1) year and six(6) months.
7. On or about January 19, 2015, through March 20, 2015, while employed as a Staff Nurse with Draco Services, Austin, Texas, Respondent failed to provide in-service training to direct-care staff regarding fall risk prevention and the implications of orthostatic hypotension, which had been discussed at a recent Psychiatric/Interdisciplinary Meeting for Consumer KV, due to reports of his recent gait instability and a fall. In addition, Respondent failed to notify the physician during a scheduled appointment the following week, regarding the consumer's status. Subsequently, the consumer fell, hit his head, and expired from complications of traumatic brain injury. Respondent's conduct was likely to injure the patient by depriving the physician of vital information that would be required to institute timely medical interventions to stabilize the patient's condition.

8. In response to the incidents in Finding of Fact Number Seven (7), Respondent states she met with the Interdisciplinary Team on February 5, 2015, and states that they discussed gait instability with Consumer KV's team present and that she overlooked writing an in-service to follow up. Additionally, Respondent states that the consumer was seen by the physician on February 11, 2015, and she is not sure if gait instability was discussed in response to the physician asking how the consumer was doing. In addition, Respondent states she has been a nurse for thirty five (35) years and has always tried to give the best of care.
9. Respondent, by her signature to this Order, expresses her desire to voluntarily surrender his/her license(s) to practice nursing in the State of Texas.
