BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 737881 §
issued to TALIA LYNN FAVELA § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of TALIA LYNN FAVELA, Registered Nurse License Number 737881, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on December 16, 2015.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree in Nursing from the University of Texas, El Paso, Texas, on December 9, 2006. Respondent was licensed to practice professional nursing in the State of Texas on February 6, 2007.
5. Respondent's complete nursing employment history is unknown.
6. On December 1, 2012, Respondent engaged in abusive conduct in that she injured her nine (9) year old daughter by slapping the child in the face causing bruising and a bloody nose while Respondent was driving and her daughter was sitting in the backseat of the vehicle.

Respondent's conduct was unprofessional and was likely to cause emotional and psychological distress to her daughter. Additionally, Respondent's conduct raises concerns regarding her ability to provide appropriate and safe nursing care.

7. In response to Finding of Fact Number Six (6), Respondent admits that the incident occurred, but denies intentionally or knowingly violating the Nursing Practice Act. Respondent acknowledges slapping her daughter, but states she only resorted to this form of discipline after her daughter had been "acting up" for several days. Respondent states, despite several discussions and verbal warnings, her daughter's behavior did not stop. Respondent states she reached the end of her patience and slapped her daughter across the right side of her face and eye area. Admittedly, Respondent caused a nosebleed to her daughter's right nostril and mild bruising that set in a day or two after the incident. Immediately after the incident, Respondent states she felt incredible guilt and great remorse, but thought she had nothing to hide and sent her daughter back to school after the weekend incident. Respondent states she never imagined that she would be reported to Child Protective Services (CPS) and be subjected to a criminal investigation. Respondent states she has cooperated with CPS and her daughter has never vocalized that she is in fear of Respondent or wishes to be placed with other relatives.
8. First Amended Formal Charges were filed on June 23, 2015.
9. First Amended Formal Charges were mailed to Respondent on June 23, 2015.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.12(6)(C).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 737881, heretofore issued to TALIA LYNN FAVELA, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
