BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of	§	AGREED
CAROLANN REARDON,	§	
PETITIONER for Eligibility for Licensure	§	ELIGIBILITY ORDER

On this day, the Texas Board of Nursing, hereinafter referred to as the Board, considered the Endorsement Application, which has been processed as a Petition for Declaratory Order pursuant to 22 TEX. ADMIN. CODE §217.5(f) and §213.30, and supporting documents filed by CAROLANN REARDON, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and Petitioner's Certification contained herein.

Information received by the Board produced evidence that PETITIONER may be ineligible for licensure pursuant to Sections 301.452(b)(10) and 301.453, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on July 23, 2012, by Katherine A. Thomas, MN, RN, FAAN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. On or about November 7, 2011, PETITIONER submitted an Endorsement Application requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.257, and 301.260, Texas Occupations Code, and the Board's Rules at 22 TEX. ADMIN. CODE §217.5(f) and §213.30.
2. Petitioner waived representation by counsel, informal proceedings, notice and hearing, and consented to the entry of this Order.
3. Petitioner received a Certificate in Vocational Nursing from the 4164th United States Army Reserve, San Antonio, Texas, on May 1, 1995.

4. On or about March 9, 2012, while employed with Mother Earth Daycare, Ltd., San Antonio, Texas, Respondent submitted a falsified/altered copy of her online temporary license verification. Respondent altered the expiration date on the temporary license verification from March 7, 2012, to May 17, 2012, and submitted the document to her employer for verification of current licensure. Respondent's conduct was likely to deceive the employer and could have affected the decision to continue employment.
5. In response to Finding of Fact Number Four (4), Respondent states that "I take responsibility for providing a copy of my nursing license to Mother Earth Daycare, Ltd." The last week of April 2012, she was injured at Mother Earth Daycare by a client. She had a fractured right shoulder and was seen at Fort Sam Houston ER. Due to the injury she was not able to sleep and she wore a sling for a month. She was in the process of moving from her mother's home into her own. She was also going through a divorce and her husband was causing emotional trauma to her and her children. She did not have a computer or internet access. She was moving across the street from her sister. She gave them the website and her nursing information and explained how to pull up her information. The next morning she saw her nephew and asked him if he printed out the license and he said yes. She didn't look at the paper because she was running late for work so she just folded it and put it in her scrub pocket. When she arrived to work she handed the paper to her boss. It was not until he said that it didn't look like the same print out as before and she then looked at it. They went to his office and looked up the information and she was stunned to see that she did not have a renewed temporary license. She was the one that pointed out the discrepancies on the dates.
6. Petitioner has sworn that, with the exception of matters disclosed in connection with the Endorsement Application, her past behavior conforms to the Board's professional character requirements at 22 TEX. ADMIN. CODE §213.27.
7. Petitioner presented no evidence of behavior which is inconsistent with good professional character.
8. The Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 TEX. ADMIN. CODE §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.
9. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public provided Petitioner complies with the stipulations outlined in this Order.
10. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of Petitioner's disclosures.
11. Petitioner has been advised by the Board that any information found to be incomplete, incorrect or misleading to the Board or a subsequent discovery of a basis of ineligibility will be considered by the Board and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through fraud or deceit.

12. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452(b), Texas Occupations Code.

#### CONCLUSIONS OF LAW

1. The Board has jurisdiction over this matter pursuant to Sections 301.452 and 301.453, Texas Occupations Code.
2. On or about November 7, 2011, PETITIONER submitted an Endorsement Application requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.257, and 301.260, Texas Occupations Code, and the Board's Rules at 22 TEX. ADMIN. CODE §217.5(f) and §213.30.
3. Petitioner's history reflects conduct which may constitute grounds for denial of a license under Section 301.452(b)(10), Texas Occupations Code.
4. The Board may probate the denial of a license under conditions for a specified term pursuant to Section 301.453, Texas Occupations Code.
5. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 TEX. ADMIN. CODE §213.27, and pursuant to 22 TEX. ADMIN. CODE §213.33, the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
6. This Order is conditioned upon the accuracy and completeness of Petitioner's disclosures. Any subsequently discovered discrepancies will result in investigation and possible disciplinary action, up to revocation of Petitioner's license(s).
