Thanks,

**FINDINGS OF FACT, CONCLUSIONS OF LAW, AND ORDER**

The Indiana State Board of Nursing ("Board") conducted an administrative hearing on November 20, 2014, in the Auditorium of the Conference Center, Indiana Government Center South, 302 West Washington Street, Indianapolis, Indiana concerning Catina Rayford-Strode's ("Applicant") request for the Board to modify the findings on her probationary order of September 2014.

Applicant appeared in person and waived her right to be represented by counsel.

The Board, after considering the evidence presented and taking official notice of its file in this matter, by a vote of 5 to 0 issues the following Findings of Fact, Conclusions of Law, and Order:

**FINDINGS OF FACT**

1. Applicant, who resides at 3805 Houston Lake Drive, Pearland, Texas 77581, submitted an application to the Board to renew/reinstate her license.
2. The Board renewed/reinstated her license on probation. The factual basis for the Board's decision is outlined in the Board order as follows:

In 2012 Rayford-Strode was charged with battery and resisting arrest but those charges were dismissed. She also pled guilty to reckless driving in October 2013 and is currently on criminal probation.

3. The Applicant received timely and proper notice of the date, time and location of this hearing pursuant to Ind. Code § 4-21.5-3-20.

4. The Board is empowered to hold this administrative hearing pursuant to the authority of Ind. Code § 25-1-9-9 and Ind. Code § 4-21.5-3.

5. Rayford-Strode argues that the reference to her arrest is prejudicial to her and limits her ability to get a job.

6. Rayford-Strode has not had her arrest record expunged.

7. The Board's order of September 19, 2014 is factually accurate and Rayford-Strode has presented no compelling reason to change it.

#### **CONCLUSIONS OF LAW**

1. Ind. Code § 25 -1-9-6(a) provides that the Board may issue a probationary license if the applicant has committed an act that would subject her to discipline if she had a license at the time.

2. Rayford-Strode was arrested for acts of physical violence which calls into question her competence to practice as a health care provider.

#### **ORDER**

Based upon the foregoing Findings of Fact, and Conclusions of Law, the Board **DENIES** the Applicant's request.

**FINDINGS OF FACT, CONCLUSIONS OF LAW AND ORDER**

The Indiana State Board of Nursing ("Board") held an administrative hearing on December 11, 2014, in the Auditorium of the Indiana Government Center South, 302 West Washington Street, Indianapolis, Indiana, concerning Catina Rayford-Strode's request to withdraw the probation from her license as a nurse.

Rayford-Strode appeared in person and waived her right to be represented by counsel. Gregory Linder of the Attorney General's Office represented the State of Indiana.

The Board, after considering the evidence presented and taking official notice of the file in this matter votes 5 to 1, to issue the following Findings of Fact, Conclusions of Law and Order:

**FINDINGS OF FACT**

1. Rayford-Strode, whose mailing address is 3805 Houston Lake Drive, Pearland, Texas 77581, is a registered nurse with license number 28171142A.
2. Rayford-Strode received timely and proper notice of the date, time and location of this hearing pursuant to Ind. Code § 4-21.5-3-20.

3. The Board is empowered to hold this administrative hearing pursuant to the authority of Ind. Code § 25-1-9-9 and Ind. Code ch. 4-21.5-3.

4. The Board placed Rayford-Strode's license on probation in September 2014 after she informed the Board that she had been arrested in 2012 for battery and resisting law enforcement, but that the charges had been dismissed. She also told the Board that in October 2013, she pled guilty to reckless driving and was serving criminal probation at that time.

5. In November 2014 Rayford-Strode requested that the probation be withdrawn from her license.

6. On December 11, 2014, at the hearing on withdrawal of probation, Rayford-Strode testified that she had complied with the terms of her probation which included completing her criminal probation.

7. The State presented evidence, however, that Rayford-Strode has made repeated misrepresentations to the Board about the status of the criminal charges that had been brought against her in 2012

8. On October 29, 2013, Rayford-Strode signed a Pre-trial Diversion Agreement with the State of Indiana admitting, among other things, that she committed the offense of Resisting Law Enforcement, a Class A Misdemeanor. On that same day, she signed a Plea Agreement in which, by pleading guilty to the offense of Reckless Driving, the State of Indiana dismissed her pending charge of Battery.

9. In the past, Rayford-Strode told the Board that the charge for Resisting Law Enforcement was dismissed, but in actuality, the charge is still pending.

10. The deficiency that required the disciplinary action on Rayford-Strode's license involved criminal activity. Rayford-Strode's misrepresentations to the Board constitute evidence that the deficiency that required probation has *not* been remedied. Those misrepresentations also constitute changed circumstances warranting a modification of the terms of probation on her license.

#### CONCLUSIONS OF LAW

1. "The board may withdraw or modify the probation ... if it finds, after a hearing, that the deficiency that required disciplinary action has been remedied, or that changed circumstances warrant a modification of the order." Ind. Code § 25-1-9-9(b).

2. Rayford-Strode's misrepresentations to the Board constitute changed circumstances warranting a modification of the terms of probation on her license.

#### ORDER

Based upon the foregoing Findings of Fact and Conclusions of Law, the Board **MODIFIES** the probation on Rayford-Strode's license as follows:

Rayford-Strode's license shall remain on indefinite probation.

Rayford-Strode shall refrain from performing any acts that constitute the practice of nursing in the state of Indiana.

In addition, staff is directed to file a consumer complaint with the Attorney General's Office concerning Rayford-Strode's misrepresentations to the Board.

**FINDINGS OF FACT, ULTIMATE FINDINGS OF FACT, CONCLUSIONS OF LAW  
AND ORDER**

The Indiana State Board of Nursing ("Board"), held an administrative hearing on August 20, 2015, in the Auditorium of the Indiana Government Center South 302 West Washington Street, Indianapolis, Indiana, concerning the Administrative Complaint filed against the Indiana nursing license of Catina Rayford-Strode, R.N. ("Respondent") on April 24, 2015. The State of Indiana ("Petitioner") was represented by Laura Iosue, Supervising Deputy Attorney General.

On or about May 15, 2015, the Indiana Professional Licensing Agency ("IPLA") sent notice to Respondent's last reported addresses as well as to her e-mail address informing Respondent of the date, time, and place of the prehearing/settlement conference scheduled in this matter on July 9, 2015. Respondent failed to appear in person or by counsel. Petitioner was represented by Gregory B. Linder, Deputy Attorney General. The Board then issued a notice of proposed default on July 21, 2015, which ordered Respondent to file a motion opposing a default order within seven (7) days of the notice. Respondent did not respond to the order within the time specified by Indiana law.

The Board, after considering the evidence presented and taking official notice of its file in this matter, by a vote of 8-0-0, found Respondent to be in **DEFAULT**. The Board then held further proceedings in Respondent's absence, and, by a vote of 8-0-0, issues the following Findings of Fact, Conclusions of Law, and Order:

### FINDINGS OF FACT

1. Respondent is a Registered Nurse ("R.N.") in the State of Indiana having been issued license number 28171142A.
2. Respondent's address on file with the Indiana Professional Licensing Agency ("IPLA") is 3805 Houston Lake Drive, Pearland, Texas 77581.
3. On February 17, 2012, Respondent was charged with Resisting Law Enforcement, a Class A Misdemeanor, under cause number 32D02-1202-CM-000209 in the Hendricks County Superior Court.
4. On February 23, 2012, Respondent was charged with Battery, a Class A Misdemeanor, under cause number 32D02-1203-CM-000277 in the Hendricks County Superior Court.
5. On November 13, 2012, Respondent was charged with Reckless Driving, a Class B Misdemeanor, under cause number 32D02-1304-CM-000492 in the Hendricks County Superior Court.
6. On October 29, 2013, with respect to the above mentioned cases, the following occurred:
  - a. Respondent's charge for Battery was dismissed;
  - b. Respondent pled guilty to the charge of Reckless Driving. Pursuant to Respondent's plea agreement, she was sentenced to one hundred eighty (180) days in jail, all suspended, and placed on one year of probation; and
  - c. Respondent signed a Pre-Trial Diversion Agreement for the charge of Resisting Law Enforcement, the length of which was twelve (12) months. Pursuant to this

agreement, if Respondent complied with its terms, the State agreed to dismiss its case against her.

7. On October 31, 2013, Respondent allowed her nursing license to expire.

8. On March 28, 2014, Respondent contacted IPLA expressing her desire to renew her nursing license.

9. On September 19, 2014, Respondent appeared in front of the Board for a Personal Appearance. Respondent informed the Board that she pled guilty to her charge for Reckless Driving and that she was currently on criminal probation, but that her charges for Battery and Resisting Law Enforcement were dismissed. Respondent knew this statement was false.

10. On September 29, 2014, the Board renewed Respondent's nursing license on indefinite probation based on the information provided by Respondent at her Personal Appearance. The terms of her probation required her to complete her criminal probation, keep the Board apprised of her current address and employment information, submit a copy of the Board's Order signed by her employer within ten (10) days of employment, and to submit quarterly reports to the Board.

11. On October 14, 2014, Respondent submitted an e-mail to the Board requesting that the Board's September 29, 2014 Order be modified because the Order included information about her charges for Battery and Resisting Law Enforcement. Respondent further stated in her e-mail, that those charges had been dismissed.

12. In November 2014, Respondent requested that the probation be withdrawn from her nursing license.

13. On December 11, 2014, at the hearing concerning Respondent's request to withdraw probation, evidence was presented demonstrating that Respondent made repeated misrepresentations to the Board about the status of her criminal charges.

14. On December 29, 2014, the Board issued an Order pursuant to Ind. Code § 25-1-9-9(b) modifying the terms of Respondent's probation. The Order concludes that the misrepresentations to the Board by Respondent constitute changed circumstances warranting such a modification. The modified terms of Respondent's probation require Respondent to remain on indefinite probation and to refrain from performing any acts that constitute the practice of nursing in the State of Indiana.

15. On May 4, 2015, Respondent contacted the Office of the Indiana Attorney General ("OAG") and spoke with Terri Mahler, Administrative Assistant, regarding the Administrative Complaint recently filed against her nursing license. During this conversation, Respondent berated Ms. Mahler, screaming at her on the telephone to the point that Respondent's voice could be heard through the telephone by other OAG employees across the hall of the office. At the hearing on August 20, 2015, Ms. Mahler testified that this conversation with Respondent upset her and that in her twenty (20) plus years of experience, this was one of the most outrageous telephone conversations she has ever had.

16. Respondent has displayed a pattern of violent behavior, lack of impulse control, and disregard for the authority of the law and the Board, all evidenced by her criminal history, her history before the Board, and her interactions with the OAG.

#### **ULTIMATE FINDINGS OF FACT**

Respondent's conduct as described above constitutes a violation of Ind. Code § 25-1-9-4(a)(1)(A) in that Respondent has engaged in fraud or material deception in order to order to

obtain a license to practice, as evidenced by her intentionally making repeated misrepresentations to the Board about her criminal charges when she personally appeared before the board, and at her hearing regarding her motion to withdraw probation from her license.

### CONCLUSION OF LAW

Respondent's violation is cause for disciplinary sanctions which may be imposed singly or in combination such as censure, a letter of reprimand, probation, suspension, revocation and/or a fine up to the amount of one thousand dollars (\$1,000) per violation as detailed in Ind. Code § 25-1-9-9.

### ORDER

1. Respondent's Indiana nursing license is hereby **INDEFINITELY SUSPENDED** for no less than **SIX (6) MONTHS**.

2. Prior to petitioning for reinstatement, Respondent shall:

a. Undergo a Minnesota Multiphasic Personality Inventory – 2 (MMPI-2) within ninety (90) days of petitioning for reinstatement and submit the results of said MMPI-2 to the Board;

b. Respondent must follow all recommendations of said MMPI-2;

c. Pay to IPLA a **FINE** in the amount of **FIVE HUNDRED DOLLARS (\$500.00)**. Said **FINE** shall be paid by check or money order payable to the Indiana Professional Licensing Agency, and submitted to the following address:

Professional Licensing Agency  
Attn: Indiana State Board of Nursing  
402 W. Washington Street, Room W072  
Indianapolis, Indiana 46204

d. Pursuant to Ind. Code § 4-6-14-10 (b), pay a **FEE** of **FIVE DOLLARS (\$5.00)** to be deposited into the Health Records and Personal Identifying

Information Protection Trust Fund. This fee shall be paid by check or money order payable to the State of Indiana, and submitted to the following address:

Indiana Office of the Attorney General  
Attn: Maurcia Crutcher  
302 West Washington Street, 5<sup>th</sup> Floor  
Indianapolis, IN 46204

7. Respondent further understands that a violation of the Final Order or any non-compliance with the statutes or regulations regarding the practice of nursing may result in the State requesting an emergency suspension of Respondent's license, an Order to Show Cause as may be issued by the Board, or a new cause of action pursuant to Ind. Code § 25-1-9-4.

SO ORDERED, this 10<sup>th</sup> day of September, 2015.
