Respondent completed the terms of this Order on June 3, 2014. BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Vocational Nurse License Number 154948 §
issued to SHERRY JEAN MILLER § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of SHERRY JEAN MILLER, Vocational Nurse License Number 154948, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on October 17, 2012, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from San Jacinto College North, Houston, Texas on August 23, 1995. Respondent was licensed to practice vocational nursing in the State of Texas on October 10, 1995.
5. Respondent's nursing employment history is unknown.
6. At the time of the initial incident, Respondent was employed as a vocational nurse with Thomas & Lewis Associates, Inc., Quality Care Community Services, Rosenberg, Texas, and had been in this position for an unknown period of time.

7. On or about November 2, 2010, while employed as a vocational nurse with Thomas & Lewin Associates, Inc., Quality Care Community Services, Rosenberg, Texas, Respondent failed to accurately document and transcribe medication changes for patient Medical Record Number 2002-21. Respondent's conduct resulted in inaccurate medical records and was likely to deceive subsequent care givers who relied on the accuracy of the information while providing care to the patient.
8. On or about November 5, 2010, while employed as a vocational nurse with Thomas & Lewin Associates, Inc., Quality Care Community Services, Rosenberg, Texas, Respondent altered prescription labels and dosages of expired medications prescribed for three (3) other patients, in order to replace medications that had not been reordered for Patient D.M. Respondent's conduct was likely to injure the patient in that failure to administer medications as ordered by the physician could have resulted in non-efficacious treatment.
9. In response to Finding of Fact Number Seven (7), Respondent states she did not clarify an unclear order which resulted in a documentation error on the medication administration record. In response to Finding of Fact Number Eight (8), Respondent states that Patient D.M. was going home for the weekend and was out of three (3) medications. Medications were found in the returned drawer that Patient D.M. needed and two RNs had reviewed the medications. Respondent explained to Patient D.M. and his mother, that these were same drugs he was currently taking but in different dosages. Respondent states she, nor the registered nurses, noticed the medications were expired. Respondent states she did not change the dosage, however, Respondent wrote the amount of pills to administer to Patient D.M. Before the medications were given to Patient D.M.'s mother, one of the RNs snatched the medications and threw them to the other RN. At that time, the RN stated she would call the pharmacy in the morning. Respondent states that she would never knowingly do anything to harm a client.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
