Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Vocational Nurse License Number 222671 §
issued to CONNIE ANN ECKERT § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of CONNIE ANN ECKERT, Vocational Nurse License Number 222671, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on December 11, 2015.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Frank Phillips College, Borger, Texas, on May 15, 2009. Respondent was licensed to practice vocational nursing in the State of Texas on July 14, 2009.
5. Respondent's vocational nursing employment history includes:

07/09 - 02/10 Unknown

Respondent's vocational nursing employment history continued:

03/10 - 06/15	LVN	Hansford County Hospital District Spearman, Texas
---------------	-----	--

07/15 - Present	Unknown	
-----------------	---------	--

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Hansford County Hospital District, Spearman, Texas, and had been in that position for five (5) years and three (3) months.
7. On or about June 14, 2015, while employed as a Licensed Vocational Nurse in the Emergency Department of Hansford County Hospital District, Spearman, Texas, Respondent inappropriately administered four (4) Tramadol 50mg tablets to Patient Number 18774-0026, prior to discharge. The patient's physician ordered that four (4) tablets of Tramadol 50mg were to be dispensed home with the patient at discharge, with instructions to take one (1) Tramadol 50mg tablet every six (6) hours. The patient subsequently returned to the Emergency Department with symptoms of overdose, including: diaphoresis, tachycardia, dizziness, and shortness of breath. Respondent's conduct unnecessarily exposed the patient to risk of harm from complications associated with overdose, and resulted in an extended hospital stay for the patient.
8. On or about June 14, 2015, while employed as a Licensed Vocational Nurse in the Emergency Department of Hansford County Hospital District, Spearman, Texas, Respondent failed to document that she administered 200mg of Tramadol to Patient Number 18774-0026 in the patient's medical record. Respondent's conduct created an incomplete medical record and was likely to injure the patient in that subsequent care givers would not have accurate information to base their decisions for further care.
9. On or about June 14, 2015, while employed as a Licensed Vocational Nurse in the Emergency Department of Hansford County Hospital District, Spearman, Texas, Respondent inappropriately wasted an empty medication package with the charge nurse. Respondent's conduct deceived the hospital pharmacy and placed the hospital in violation of Chapter 481 (Controlled Substances Act) of the Texas Health and Safety Code.
10. In response to Findings of Fact Numbers Seven (7) through Nine (9), Respondent admits she pulled four (4) tablets of Tramadol 50mg from the medi-dispense and gave all four tablets to the patient. Respondent states she realized that the order was for dispense to home and she panicked. Respondent further states she went to the Charge Nurse and told her that she had opened all the Tramadol and would need her to waste the opened medication. Respondent states she then pulled four (4) Tramadol 50mg tablets to dispense home with the patient. Respondent further explains that the patient returned to emergency room (ER) because he "just didn't feel right." Respondent states when she found out the patient had returned to the ER, she fainted. Respondent states the patient denied taking any of the medication dispensed

home so the Charge Nurse went out to the patient's vehicle and retrieved four tablets of Tramadol 50mg. Respondent states that at shift change, she finally told the Charge Nurse that she had lied about the Tramadol and offered to give her resignation. Respondent states she also left a personal check with the Nurse Manager to pay for the second ER visit, but it was later returned to her and the hospital covered the cost, per policy.
