BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 708310 §
& Vocational Nurse License Number 81239 §
issued to JANICE SUE SCHAUER § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of JANICE SUE SCHAUER, Registered Nurse License Number 708310 and Vocational Nurse License Number 81239, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(1), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on April 18, 2016.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in inactive status. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from North Harris County College, Houston, Texas on March 2, 1979, and received an Associate Degree from Excelsior College, Albany, New York on May 17, 2004. Respondent was licensed to practice vocational nursing in the State of Texas on May 9, 1979, and was licensed to practice professional nursing in the State of Texas on July 27, 2004.

5. Respondent's nursing employment history includes:

1979 - 1981	LVN	Tomball Community Hospital Tomball, Texas
1980 - 1985	LVN	Aaron Women's Clinic Houston, Texas
1985 - 1988	LVN	Kelsey-Seybold Clinic Spring, Texas
1988 - 1999	LVN	ORL Associates, P.A./ Texas ENT Texas Gulf Coast
1994 - 2003	LVN	TOPS Surgical Specialty Hospital Houston, Texas
2004	Unknown	
2005 - 2007	RN	Staff Search/ Credentia
02/2007 - 05/2013	RN	St. Michael's Center for Special Surgery Houston, Texas
06/2013 - Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with St. Michael's Center for Special Surgery, Houston, Texas, and had been in that position for four (4) years and nine (9) months.

7. On or about November 3, 2011, through May 15, 2013, while employed as a Registered Nurse with St. Michael's Center for Special Surgery, Houston, Texas, Respondent lacked fitness to practice professional nursing in that she appeared drowsy, had mood changes, and administered pain medication to patients of other nurses without permission. Additionally, after Respondent exited a restroom, a co-worker found a large number of Hydrocodone, Soma pills, and an empty syringe with a twenty-seven (27) gauge needle attached on a cabinet in the restroom. Respondent's condition could have affected her ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.

8. In response to Finding of Fact Number Seven (7), Respondent states: "I have never lacked

fitness to practice nursing. I have never appeared drowsy or had mood changes.

9. Under the advisement of her attorney, on November 16, 2015, Respondent underwent a chemical dependency evaluation with Matthew L. Ferrara, Ph.D. Dr. Ferrara stated that based on the findings of his evaluation, it appears that the Respondent is not currently suffering from a substance use disorder and that she appears to be a very low risk for the development of a substance use disorder in the future. It is likely that the Respondent will be able to conform her behavior to Board standards and requirements for nursing. Dr. Ferrara recommends that if the Board has concerns with the Respondent ability to conform her conduct to Board standards, she could be asked to submit to random drug/alcohol screens for a period of time.
10. Formal Charges were filed on December 17, 2014.
11. Formal Charges were mailed to Respondent on December 18, 2014.

CONCLUSIONS OF LAW

4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(12), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 708310 and Vocational Nurse License Number 81239, heretofore issued to JANICE SUE SCHAUER, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
