BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Vocational Nurse License Number 148402 §
issued to YVETTE MARIE NIETO § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of YVETTE MARIE NIETO, Vocational Nurse License Number 148402, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on February 22, 2016.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Galen College of Nursing, San Antonio, Texas, on August 5, 1994. Respondent was licensed to practice vocational nursing in the State of Texas, on September 13, 1994.
5. Respondent's vocational nursing employment history includes:

09/1994 - 10/2000	LVN	Southwest Home Health Bandera, Texas
-------------------	-----	---

Respondent's vocational nursing employment history continued:

01/1995 - 10/2000	LVN	Attentive Home Health San Antonio, Texas
11/2000 - 09/2004	Unknown	
10/2004 - 04/2014	LVN	University Hospital San Antonio, Texas

Additionally, Respondent falsely documented that she administered the scheduled medications in the patients' medical records. Respondent's conduct was likely to injure the patients in that failure to administer medications, as ordered by a physician, could have resulted in nonefficacious treatment. Additionally, Respondent's conduct created an inaccurate medical record on which subsequent caregivers would rely on to provide ongoing medical care.
8. In response to Finding of Fact Number Seven (7), Respondent admits that she failed to administer medications to three (3) patients in the morning because they had already left for work. She states that the doctor was notified, and that she administered their medications when the patients returned around 12-12:30. Respondent further admits to not writing the correct time that she gave the medications, and incorrectly signing the medication record. Respondent states that at the time of the incident, the facility was understaffed, that she was still on probation and had not been fully trained.
