BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED
Registered Nurse License Number 739137	§	
issued to MATTHEW KEVIN LAVIN	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of MATTHEW KEVIN LAVIN, Registered Nurse License Number 739137, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on March 14, 2016.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from Tarrant County Junior College, Fort Worth, Texas, on December 14, 2006. Respondent was licensed to practice professional nursing in the State of Texas on March 6, 2007.
5. Respondent's nursing employment history includes:

3/2007-11/2008	Staff Nurse	Charlton Methodist Hospital Duncanville, Texas
----------------	-------------	---

Respondent's nursing employment history continued:

12/2008-4/2012	Staff Nurse	Dallas Regional Medical Center Mesquite, Texas
4/2012-8/2013	Staff Nurse	USMD Hospital Arlington, Texas
11/2013-7/2015	Staff Nurse	Parkland Health & Hospital System Lew Sterrett County Jail Dallas, Texas
8/2015-Present	Agency Nurse	Enterprise Staffing Agency Dallas, Texas

6. At the time of the incident, Respondent was employed as a Staff Nurse with Parkland Health & Hospital System, assigned to Lew Sterrett County Jail, Suzanne Lee Kays Detention Facility, Dallas, Texas, and had been in that position for one (1) year and eight (8) months.
7. On or about July 5, 2015, while employed as a Staff Nurse with Parkland Health & Hospital System, and assigned to Lew Sterrett County Jail, Suzanne Lee Kays Detention Facility, Dallas, Texas, Respondent failed to assess Patient Number 15022273, including taking vital signs, when the patient arrived in the clinic with complaints of nausea and active vomiting. Respondent took a verbal order from the provider for twenty-five (25) mg intramuscular (IM) Phenergan, administered the medication to the patient, and then sent the patient back to his cell, where he was found unresponsive approximately seven (7) hours later. The patient was transferred to the hospital where a computed tomography (CT) scan of his head showed an acute brain hemorrhage. Respondent's conduct was likely to injure the patient from clinical decisions formulated based upon incomplete assessment information, including a delay in escalation of care.
8. On or about July 5, 2015, while employed as a Staff Nurse with Parkland Health & Hospital System, and assigned to Lew Sterrett County Jail, Suzanne Lee Kays Detention Facility, Dallas, Texas, Respondent failed to completely document in the medical record of Patient Number 15022273 regarding the patient's emergency walk-in visit to the clinic. Respondent's conduct resulted in an incomplete medical record, and was likely to injure the patient in that subsequent care givers would not have accurate and complete information on which to base their care decisions.
9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent states that nausea and vomiting is common in this practice environment, due to his belief that sometimes patients complain of physical conditions to get respite from their jail cells. Respondent states that on the date in question, the sheriff called him to say that

there was an inmate with nausea and vomiting, so Respondent had the patient brought in for treatment. Respondent states that the patient was alert and oriented at the time he administered Phenergan. Respondent adds that the provider who ordered the Phenergan never asked to know the patient's vital signs, because the patient was not a scheduled patient. Respondent states that while waiting for reassessment, the patient fell asleep, and was then sent back to his cell.
