Katherine A. Thomas
Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 836498 §
issued to LAUREN ASHLEE TEER § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LAUREN ASHLEE TEER, Registered Nurse License Number 836498, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(9),(10)&(12), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on April 6, 2016.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from McLennan Community College, Waco, Texas, on May 10, 2013. Respondent was licensed to practice professional nursing in the State of Texas on May 30, 2013.
5. Respondent's nursing employment history includes:

06/13 - Present	RN	Providence Health Care Network Waco, Texas
-----------------	----	---

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Providence Hospital, Waco, Texas, and had been in that position for approximately nine (9) months.
7. On or about March 4, 2014, while employed as a Registered Nurse with Providence Health Care Network, Waco, Texas, Respondent lacked fitness to practice professional nursing, in that she sought treatment for a substance use disorder at Caron Texas Residential Services. Respondent completed treatment on April 4, 2014. Respondent's condition could have affected her ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.
8. On or about February 20, 2015, and September 15, 2015, while employed as a Registered Nurse with Providence Health Care Network, Waco, Texas, and while enrolled in the Texas Peer Assistance Program for Nurses (TPAPN), Respondent engaged in the intemperate use of alcohol, in that she produced specimens for random urine drug screens which resulted positive for Ethyl Glucuronide (ETG) and Ethyl Sulfate (ETS), metabolites of alcohol (Ethanol). The use of alcohol by a Registered Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms, or changes in a patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing patients in potential danger.
9. In response to Findings of Fact Number Seven (7) and Eight (8), Respondent admits she received inpatient treatment for her addiction to prescription medication. Respondent states the February 20th screen was a false positive, and resulted from drinking a protein shake which had extracts that contained alcohol. Respondent admits the second positive screen was the result of drinking wine.
10. Respondent's conduct as described in the preceding Finding(s) of Fact was reportable under the provisions of Sections 301.401-301.419, Texas Occupations Code.
11. Respondent's conduct as described in the preceding Finding(s) of Fact resulted from or was significantly influenced by Respondent's substance use disorder.
12. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or substance use disorder.
13. Respondent's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(B) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(4),(5),(9),(10)(A)&(11)(B)
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(9),(10)&(12), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 836498, heretofore issued to LAUREN ASHLEE TEER, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
6. The Board may, in its discretion, order a nurse to participate in a peer assistance program approved by the Board if the nurse would otherwise have been eligible for referral to peer assistance pursuant to Section 301.410, Texas Occupations Code.
