Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Vocational Nurse License Number 219734 §
issued to STEPHANIE YVONE JACKSON § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of STEPHANIE YVONE JACKSON, Vocational Nurse License Number 219734, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on May 16, 2016.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Angelina College, Lufkin, Texas, on December 6, 2008. Respondent was licensed to practice vocational nursing in the State of Texas on January 8, 2009.
5. Respondent's nursing employment history includes:

1/2009-4/2009	Unknown
---------------	---------

Respondent's nursing employment history continued:

5/2009-12/2012	Staff Nurse	Exceptional Home Health Services Tyler, Texas
6/2010- Present	Staff Nurse	Advance'd Temporaries Lufkin, Texas
7/2014- Present	Staff Nurse	WillowBrook Nursing and Rehabilitation Nacogdoches, Texas

6. At the time of the incident, Respondent was employed as an Agency Nurse with Advance'd Temporaries, Tyler, Texas, and had been in that position for four (4) years and five (5) years.
7. On or about November 15, 2015, while employed as an Agency Nurse with Advance'd Temporaries, Tyler, Texas, and on assignment at Lufkin State Supported Living Center, Pollok, Texas, Respondent failed to adequately assess and intervene for Patient Number 43020, including failure to take the patient's vital signs and conduct a focused assessment in response to the patient's change of condition with blood in his vomit. Respondent then failed to elevate care by activating emergency medical services (EMS). Subsequently, the oncoming shift activated EMS, though the patient expired before arriving to the hospital. Respondent's conduct was likely to injure the patient from clinical care decisions formulated based upon incomplete assessment information, and may have contributed to the patient's demise.
8. In response to the incident in Finding of Fact Number Eight (8), Respondent states that she could not get a temperature or vital signs due to the fact that the patient was covered in vomit, though she did try. Respondent states that she told the physician via phone that the patient was wheezing, vomiting coffee brown color emesis, face red in color and flushed, diaphoretic, skin was clammy to the touch and warm not hot, that the vomiting started 2 days earlier, and the amount of vomit covered the whole bathroom floor. Respondent states that the physician gave her an order for a phenergan suppository and hung up on her because she did not have a temperature to report. Respondent states that she told the physician that this was not normal for the patient and he needed to go to the emergency room because it looked like he was vomiting blood, but the physician said she didn't know if it was blood because she did not test it. Respondent states that she did not call EMS because she wasn't given an order and it was stated in state school policy that there had to be an order. Respondent adds that she sent two individuals out two months earlier by EMS, one for a head injury and one for respiratory distress, and later the nursing department was put under investigation and said to be incompetent. Respondent states that since this incident has occurred, the policy has changed and anyone can call 911.
9. Formal Charges were filed on April 11, 2016.

10. Formal Charges were mailed to Respondent on April 20, 2016.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(M)&(2)(A) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B)&(4).
