issued to MARIA CRISTINA FRAIRE § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of MARIA CRISTINA FRAIRE, Vocational Nurse License Number 311621, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent's conduct resulted in an inaccurate medical record and was likely to injure the patient in that subsequent care givers would rely on her documentation in order to provide further patient care.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that because she was in a rush to submit her documents on time due to billing purposes, she made the corrections to the wrong sheets. Respondent states that she intended to correct them, but was terminated from the company before having a chance to do that. Respondent clarifies that she did stay with the patient longer than her shift end time on two of the days in question. Respondent adds that at the time of the incident, she had worked for four days and was ill. In addition, Respondent states that the house was very unsanitary and roach infested and posed a health risk to both patient and Respondent.
