BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Vocational Nurse License Number 320734 §
issued to JENNIFER NICHOLE STONE § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of JENNIFER NICHOLE STONE, Vocational Nurse License Number 320734, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on May 13, 2016.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Galveston College, Galveston, Texas, on May 1, 2014. Respondent was licensed to practice vocational nursing in the State of Texas on July 8, 2014.
5. Respondent's nursing employment history includes:

7/2014 - 1/2015	Staff Nurse	Gulf Health Care Center
		Galveston, Texas

Respondent's nursing employment history continued:

2/2015	Unknown	
3/2015 - Present	Charge Nurse	The Lakes of Texas City, formerly known as Bay Oaks Health Care Center Texas City, Texas

6. At the time of the incident in Finding of Fact Number Seven (7), Respondent was employed as a Charge Nurse with Bay Oaks Health Care Center, Texas City, Texas, and had been in that position for less than one (1) month.
7. On or about March 19, 2015, through April 29, 2015, while employed as a Charge Nurse with Bay Oaks Health Care Center, Texas City, Texas, Respondent failed to document in the medical record of Resident WS, who is diabetic, about her contact with the Assistant Director of Nursing (ADON) and the Physician Assistant (PA) regarding the resident's consistently elevated blood glucose readings. Respondent's conduct resulted in an incomplete medical record and was likely to injure the resident from subsequent care decisions made without the benefit of complete information.
8. On or about March 19, 2015, through April 29, 2015, while employed as a Charge Nurse with Bay Oaks Health Care Center, Texas City, Texas, Respondent failed to intervene and contact the Director of Nursing (DON), the physician, or Medical Director for orders to treat the consistently elevated blood glucose readings of 166 -552 mg/dl of Resident WS when there was no response from the PA, and no insulin was ordered after she notified the ADON. The resident had orders to check his blood glucose readings four (4) times a day, but had no insulin ordered during his five (5) month stay. Long term high glucose levels can be damaging to the nerves, organs, and tissue. Respondent's conduct was likely to injure the resident from ineffective treatment and deprived the resident's physician the opportunity to institute timely medical interventions.
9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent states that she contacted the PA for Resident WS regarding his elevated blood sugars via his cell phone, home phone, and text message. Respondent relates that after those unsuccessful attempts, she informed her ADON that the resident had elevated blood sugar readings and that the PA didn't answer his phone or return her texts. Respondent explains that the ADON stated that she would give him a call, and at the end of her shift, Respondent passed this information to the oncoming nurse. Respondent adds that the ADON and DON were aware of his elevated blood sugars.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(D),(1)(M),(1)(P)&(2)(A) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 320734, heretofore issued to JENNIFER NICHOLE STONE.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
