BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Vocational Nurse License Number 306282 §
issued to ALYSSABETH ANTOINETTE ASHLEY § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ALYSSABETH ANTOINETTE ASHLEY, Vocational Nurse License Number 306282, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on May 9, 2016.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Concord Career Institute, Arlington, Texas, on January 20, 2012. Respondent was licensed to practice vocational nursing in the State of Texas on March 8, 2012.
5. Respondent's nursing employment history includes:

2012-Present	Licensed Vocational Nurse	AAA Home Health Care Agency Dallas, Texas
8/2012-9/2014	Licensed Vocational Nurse	Viva Pedicatric Dallas, Texas

Respondent's nursing employment history continued:

10/2014-Present Unknown

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Viva Pediatrics, Dallas, Texas, and had been in that position for one (1) year and ten (10) months.
7. On or about June 30, 2014, through September 14, 2014, while employed as a Staff LVN with Viva Pediatrics, Dallas, Texas, Respondent failed to administer Sildenafil, Prevacid, Lasix, and Multivitamins to Patient Medical Record Number A00262-01, and failed to notify the physician that the medications were not available in the patient's home and had not been administered. Respondent's conduct exposed the patient unnecessarily to risk of harm from ineffective treatment and deprived the patient's physician the opportunity to institute timely medical interventions.
8. On or about June 30, 2014, through September 14, 2014, while employed as a Staff LVN with Viva Pediatrics, Dallas, Texas, Respondent documented in the medical record of Patient Medical Record Number A00262-01 that all scheduled medications were administered when the scheduled medications, Sildenafil, Prevacid, Lasix, and Multivitamins were not administered. 9. In response to Findings of Fact Numbers Seven (7) and Eight (8), Respondent states all the medications were administered as ordered except the Sildenafil. In regards to the other medication that were listed, Respondent states the only time those medications were not administered were due to running out of the medication and waiting for a refill as was documented on the MAR. Respondent states the parent was waiting for the physician's order to refill the prescription Sildenafil which was not authorized until around the first week of July. Respondent states the family relocated and did not have transportation to get the medication after which the parent did get the refill but was given the wrong medication.
