BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED
Vocational Nurse License Number 191358	§	
issued to MARY ROCIO GARCIA	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of MARY ROCIO GARCIA, Vocational Nurse License Number 191358, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on May 20, 2016.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received an Associate's Degree in Vocational Nursing from Dodge City Community College, Dodge City, Kansas, in 1999. Respondent was licensed to practice vocational nursing in the State of Kansas on November 10, 1999, and was licensed to practice vocational nursing in the State of Texas on October 23, 2003.
5. Respondent's nursing employment history includes:

1999-2000	Licensed Vocational Nurse	Medical Heights Medical Center Dodge City, Kansas
-----------	---------------------------	---

Respondent's nursing employment history continued:

2000-2003	Licensed Vocational Nurse	Women's Center Dodge City, Kansas
2003-1/2015	Licensed Vocational Nurse	Altomar Home Health El Paso, Texas
2/2015-Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Altomar Home Health, El Paso, Texas, and had been in that position for approximately eleven (11) years.
7. On or about January 10, 2014, through January 12, 2015, while employed as a Licensed Vocational Nurse with Altomar Home Health, El Paso, Texas, and caring for Patient H.A., Respondent inappropriately left her patient assignment on multiple occasions, while Respondent was expected to be on duty in the patient's classroom to care for the patient. The patient was under physician orders for 24 hour a day supervision. Respondent's conduct exposed the patient to a risk of harm from potentially adverse complications of undetected and untreated changes in condition.
8. On or about January 10, 2014, through January 12, 2015, while employed as a Licensed Vocational Nurse with Altomar Home Health, El Paso, Texas, and caring for Patient H.A., Respondent violated professional boundaries by inappropriately engaging in a sexual relationship with the patient's father. Respondent's conduct exposed the patient to a risk of harm in that it could have resulted in confusion between the needs of the nurse and those of the patient.
9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent states that she was the private duty nurse for H.A. on Fridays of every week, and would accompany him to his 2nd-grade classroom. Respondent states that if she left the classroom, she was either in the hallway on her phone, in the bathroom, or eating her lunch in her car, but never left the school campus. Respondent adds that she gave her cell phone number to the teacher to be contacted in the case of an emergency, but was never contacted by the teacher and never received complaints from the principal.
