She be referred into the EEP program for 1-2 years with the requirement of continued abstinence from alcohol and any drugs. If she is unable to maintain sobriety during that period, a referral to TPAPN would be in order. Some individual counseling would be in order to address the issues of her immaturity and poor judgement. Her failure to disclose her arrest on her renewal should be reviewed for disciplinary actions, as it was not the result of a mental disorder or SUD. With monitoring in place, I believe she would be fit to practice."
