PETITIONER'S CERTIFICATION

I am the Petitioner in this matter. I have fully and truthfully disclosed all of my past conduct which could constitute grounds for licensure ineligibility, and I have caused a complete and accurate criminal history to be submitted to the Texas Board of Nursing from each jurisdiction in which I have been adjudged guilty by way of conviction or deferred order. I certify that my past behavior, except as disclosed in my application and/or petition, has been in conformity with the Board's character rule. I have provided the Board with complete and accurate documentation of my past conduct in violation of the penal law of any jurisdiction which was disposed of through any procedure short of conviction, such as: conditional discharge, deferred adjudication or dismissal. I have no criminal prosecution pending in any jurisdiction.

In connection with my application and/or petition, I acknowledge that I have read and I understand Sections 301.157(d), 301.252, 301.253, 301.257, 301.258, 301.260, 301.452, and 301.453, Texas Occupations Code, and Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code, and 22 TEX. ADMIN. CODE §§213.27, 213.28, 213.29, and 213.30. I agree with all terms of this Order, including the Findings of Fact and Conclusions of Law and any stipulations as set out in this Order. I acknowledge that this Order is stipulated and I understand that I am not eligible to receive a Temporary Permit to practice nursing. I agree to inform the Board of any other fact or event that could constitute a ground for denial of licensure prior to accepting any license from the Texas Board of Nursing.

I understand that if I fail to comply with all terms and conditions of this Order, I will be subject to investigation and disciplinary sanction, including revocation of my license(s) to practice nursing in the State of Texas, as a consequence of my noncompliance.

I understand that I can be represented by an attorney in this matter. I waive representation, notice, administrative hearing, and judicial review of this Order and request that the Texas Board of Nursing ratify this Order.

Signed this 7 day of February, 2011.

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED

issued to CHRISTINA MICHELLE ADAMES	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of CHRISTINA MICHELLE ADAMES, Vocational Nurse License Number 300258, hereinafter referred to as Respondent.

Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. 3. Respondent is currently licensed to practice vocational nursing in the State of Texas.

6. On or about March 8, 2011, Respondent was issued an AGREED ELIGIBILITY ORDER, by the Texas Board of Nursing. A copy of the Findings of Fact, Conclusions of Law, and Agreed Order, dated March 8, 2011, is attached and incorporated, by reference, as part of this Order.
7. At the time of the initial incident, Respondent was employed as a vocational nurse with Homelife & Community Services, San Antonio, Texas, and had been in this position for five (5) months.
8. On or about October 20, 2013, while employed as a Licensed Vocational Nurse with Homelife & Community Services, Inc., San Antonio, Texas, Respondent lacked fitness to practice nursing in that she disclosed to several staff members she had attempted suicide by taking an overdose of her husband's prescription medications, Xanax and Vicodin. In addition, Respondent left a voice mail at the facility in which she was crying and explaining she had taken pills to hurt herself. Respondent was subsequently admitted to Baptist Hospital, San Antonio, Texas, for treatment, and on October 22, 2013, she left the hospital against medical advice. Respondent's condition could have affected her ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.
9. In response to Finding of Fact Number Eight (8), Respondent admits she did attempt to commit suicide by taking an overdose of her husband's prescription medication of Xanax; however, Respondent states she did not take any Vicodin.
