BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Registered Nurse License Number 799294 §  
issued to CANDY CHANTARASAKA § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of CANDY CHANTARASAKA, Registered Nurse License Number 799294, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on September 12, 2016.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree in Nursing from Texas Womans University, Denton, Texas on December 18, 2010. Respondent was licensed to practice professional nursing in the State of Texas on March 29, 2011.
5. Respondent's nursing employment history includes:

03/2011 - Present	Trauma Surgical ICU Nurse	Ben Taub Hospital Houston, Texas
-------------------	---------------------------	-------------------------------------

6. At the time of the initial incident, Respondent was employed as a Trauma Surgical Intensive Care Unit Nurse with Ben Taub Hospital, Houston, Texas, and had been in that position for three (3) years and eight (8) months.
7. On or about November 6, 2014, while employed as a Trauma Surgical Intensive Care Unit Nurse with Ben Taub Hospital, Houston, Texas, while acting as the dual check-off nurse for medication administration, Respondent failed to verify the correct route of administration prior to Dilaudid being administered to Patient Medical Record Number 033173024. The physician ordered administration of Dilaudid through the Patient Controlled Analgesia (PCA) Pump, and instead Dilaudid was prepared and administered through the Patient Controlled Epidural Anesthesia (PCEA) pump in error. Subsequently, the patient experienced respiratory decompensation and required emergent intubation. Respondent's conduct unnecessarily exposed the patient to a risk of harm from medication administered by the wrong route.
8. On or about November 6, 2014, while employed as a Trauma Surgical Intensive Care Unit Nurse with Ben Taub Hospital, Houston, Texas, Respondent inaccurately documented in the medical record of Patient Medical Record Number 033173024 that Dilaudid was administered through the Patient Controlled Analgesia (PCA) pump when in fact, the medication was administered through the Patient Controlled Epidural Anesthesia (PCEA) pump. Respondent's conduct resulted in an inaccurate medical record.
9. Formal Charges were filed on January 13, 2016.
10. Formal Charges were mailed to Respondent on January 13, 2016.
