BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 834462 §
issued to YANELI JIMENEZ § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of YANELI JIMENEZ, Registered Nurse License Number 834462, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(2),(10),(12)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on July 18, 2016.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree in Nursing from the University of Incarnate Word, San Antonio, Texas, on February 20, 2013. Respondent was licensed to practice professional nursing in the State of Texas on March 28, 2013.
5. Respondent's nursing employment history includes:

03/13 - 03/16	Registered Nurse	Baptist Health System San Antonio, Texas
---------------	------------------	---

Respondent's nursing employment history continued:

04/16 - Present Unknown

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Baptist Health System, San Antonio, Texas, and had been in that position for two (2) years and six (6) months.
7. On or about September 15, 2015, Respondent completed an Online Renewal Document and answered "No" to the question which reads: "Have you, within the past 24 months or since your last renewal, for any criminal offense, including those pending appeal:
 - A. been convicted of a misdemeanor?
 - B. been convicted of a felony?
 - C. pled nolo contendere, no contest, or guilty?

Criminal charges were still pending at the time that Respondent submitted her renewal.

8. On or about March 22, 2016, while employed as a Registered Nurse with Baptist Health System, San Antonio, Texas, Respondent lacked fitness to practice nursing in that she was observed to be sleeping while on duty by two team members. Respondent's conduct could have affected her ability to recognize subtle signs, symptoms, or changes in patients' conditions, and could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.
9. On or about March 22, 2016, while employed as a Registered Nurse with Baptist Health System, San Antonio, Texas, Respondent left her unit unsupervised for approximately three (3) hours, in that she left the patients in the care of an orientee while she was sleeping. Respondent's conduct unnecessarily exposed the patients to risk of harm from undetected complications.

10. In response to Findings of Fact Numbers Eight (8) and Nine (9), Respondent states she did not fall asleep on her break, and states that she put her head down for about 15 minutes, which may have been perceived wrongly by another employee. Respondent further states she would never leave her patients unattended or under the care of an orientee she is precepting. She stated she was always with her and never left her alone with their patients, nor did she leave the unit unsupervised.
11. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
