BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Registered Nurse License Number 705710 §  
issued to APRIL LEIGH CALLE § ORDER

An investigation by the Texas Board of Nursing, hereinafter referred to as the Board, produced evidence indicating that APRIL LEIGH CALLE, Registered Nurse License Number 705710, hereinafter referred to as Respondent, may be subject to discipline pursuant to Sections 301.452(b)(10)&(13) and 301.453, Texas Occupations Code.

An informal conference was conducted on September 15, 2016, in accordance with Section 301.464, Texas Occupations Code. Respondent appeared in person. Respondent was represented by Adam Pollock, Attorney at Law.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from San Jacinto College, Pasadena, Texas, on May 7, 2004. Respondent was licensed to practice professional nursing in the State of Texas on June 17, 2004.
5. Respondent's nursing employment history includes:

2004-2008	Staff Nurse	Memorial Hermann Hospital Houston, Texas
-----------	-------------	---

Respondent's nursing employment history continued:

2008-2010	Staff Nurse	The Woman's Hospital of Texas Houston, Texas
2010-2011	Clinic Nurse	Kelsey Seybold Clinic Houston, Texas
2011-Present	Staff Nurse	The Woman's Hospital of Texas Houston, Texas

6. At the time of the incident, Respondent was employed as a Staff Nurse with The Woman's Hospital of Texas, Houston, Texas, and had been in that position for approximately six (6) years.
7. On or about May 27, 2014, while employed as a Staff Nurse with The Woman's Hospital of Texas, Houston, Texas, Respondent failed to adequately assess and institute appropriate nursing interventions for laboring Patient GM and fetus, when late fetal heart decelerations were observed at the end of Respondent's shift. Additionally, Respondent failed to appropriately administer Pitocin, medication used to strengthen labor contractions, to the patient. Respondent increased the Pitocin by 2 milliunits/minute instead of 3 milliunits/minute, as ordered, and also failed to restart the Pitocin at the appropriate rate after it had been turned off. The patient delivered an infant by Cesarean section approximately three (3) hours later, resulting in infant demise. Respondent's conduct was likely to injure the patient and fetus in that failure to administer medications as ordered by the physician could have resulted in non-efficacious treatment during the patient's labor and delivery.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that she saw variable decelerations during her shift, so she turned the Pitocin down and notified the physician. Respondent states that she believed that 3 milliunits was too much, which is why she increased the Pitocin by two (2) units instead of three (3.) Respondent states that she notified the physician when the patient was 10cm dilated and the physician arrived to push with the patient for a short time before leaving again, which occurred at the end of Respondent's shift. Respondent states that late decelerations had begun to appear but there was still good variability and she believed that delivery was imminent, which she passed on in report to the oncoming nurse.

#### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C),(1)(M)&(3)(A) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 705710, heretofore issued to APRIL LEIGH CALLE.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
