Ms. Diane Burrell,

11-16-16

I hope this finds you well. Per our phone conversation earlier today, I surrender my vocational nursing license. License #: 327020. I apologize for the delay; I would have done this in January of this year, but I was under the impression that non-renewal was synonymous with surrender.

If you have any more questions, please feel free to contact me. Thank you for allowing me to serve in the great State of Texas.

Sincerely,

Jennie M. Statham

PETITIONER for Eligibility for Licensure	§	ELIGIBILITY ORDER

On this day, the Texas Board of Nursing, hereinafter referred to as the Board, considered the Endorsement Application, which has been processed as a Petition for Declaratory Order pursuant to 22 TEX. Dr. Proctor stated that diagnostically, per the Diagnostic and Statistical Manual of Mental Disorders-Fifth Edition (DSM-5), Petitioner appeared to have a mixed personality disorder that includes mood, anxiety, and anger-related difficult, but with treatment, including ongoing medication management, is fairly controlled. Petitioner clearly met criteria for stimulant use disorder, as well as cannabis use disorder. Since Petitioner has not used substances in over seven years, these conditions were not diagnosed at present. Petitioner also met criteria for alcohol use disorder in the past, but not in the present. The likelihood that Petitioner will engage in criminal behavior appears fairly low, to, at the most, moderate. The probability that Petitioner would be able to consistently behave in accordance with the requirements of Board Rules 213.27-213.29 and the minimum nursing standards set forth in Board Rule 217.11, and consistently avoid behaviors identified by the Board as constituting unprofessional conduct appears fairly high, and at the lowest, moderate. Petitioner does not appear to represent a danger to the community. Obviously, continuing to abstain from alcohol and drug is a key issue.
7. There is no evidence of any subsequent criminal conduct.
8. The safety of patients and the public requires that all persons licensed to practice nursing be fit, sober, and able to consistently practice nursing in autonomous roles under demanding and stressful conditions.
9. Petitioner has sworn that, with the exception of matters disclosed in connection with the Endorsement Application, her past behavior conforms to the Board's professional character requirements at 22 TEX. ADMIN. CODE §213.27.
10. Petitioner presented no evidence of behavior which is inconsistent with good professional character.
11. The Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 TEX. ADMIN. CODE §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.
12. The Executive Director considered evidence of Petitioner's past criminal conduct in light of the considerations and criteria provided in 22 TEX. ADMIN. CODE §§213.28 & 213.33, and, if applicable, Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.

13. The Executive Director considered evidence of Petitioner's substance abuse/chemical dependency, and subsequent rehabilitation as provided in 22 TEX. ADMIN. CODE §213.29 and in accordance with 22 TEX. ADMIN. CODE §213.33.
14. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public provided Petitioner complies with the stipulations outlined in this Order.
15. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of Petitioner's disclosures.
16. Petitioner has been advised by the Board that any information found to be incomplete, incorrect or misleading to the Board or a subsequent discovery of a basis of ineligibility will be considered by the Board and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through fraud or deceit.
17. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452(b), Texas Occupations Code.

CONCLUSIONS OF LAW

1. The Board has jurisdiction over this matter pursuant to Sections 301.452 and 301.453, Texas Occupations Code.
2. On or about February 16, 2014, PETITIONER submitted an Endorsement Application requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.257, and 301.260, Texas Occupations Code, and the Board's Rules at 22 TEX. ADMIN. CODE §217.5(f) and §213.30.
3. Petitioner's history reflects conduct which may constitute grounds for denial of a license under Section 301.452(b)(10)&(12), Texas Occupations Code.
4. The Board may probate the denial of a license under conditions for a specified term pursuant to Section 301.453, Texas Occupations Code.
5. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was imposed upon consideration of the factors set out in 22 TEX. ADMIN. CODE §213.28 and evaluating the direct relationship to nursing according to 22 TEX. ADMIN. CODE §213.28 and, if applicable, Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.
6. The Board may license an individual who has a history of substance abuse and/or chemical dependency after consideration of the criteria set out in 22 TEX. ADMIN. CODE §213.29 if the Board determines the individual does not pose a direct threat to the health and safety of patients or the public.
7. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 TEX. ADMIN. CODE §213.27, and pursuant to 22 TEX. ADMIN. CODE §213.33, the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.

8. This Order is conditioned upon the accuracy and completeness of Petitioner's disclosures. Any subsequently discovered discrepancies will result in investigation and possible disciplinary action, up to revocation of Petitioner's license(s).
