BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED
Vocational Nurse License Number 129935	§	
issued to CAROL LYNN BROOKS	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of CAROL LYNN BROOKS, Vocational Nurse License Number 129935, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on November 2, 2016.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Delta Career Institute, Beaumont, Texas on March 2, 1990. Respondent was licensed to practice vocational nursing in the State of Texas on November 28, 1990.
5. Respondent's nursing employment history includes:

12/1990 - 2/1997

Licensed Vocational Nurse

Lakewood Senior
Living
Houston, Texas

Respondent's nursing employment history continued:

2/1997 - 12/2013	Licensed Vocational Nurse	New Era Nursing & Rehabilitation Houston, Texas
12/2013 - 1/2016	Licensed Vocational Nurse	La Hacienda Nursing and Rehabilitation Center Houston, Texas
2/2016 - Present	Unknown	

6. On or about January 19, 2012, Respondent was issued the sanction of WARNING WITH STIPULATIONS through an Agreed Order by the Texas Board of Nursing. A copy of the Agreed Order, including the Findings of Fact, Conclusions of Law, and Order dated January 19, 2012, is attached and incorporated herein by reference as part of this Order.
7. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with La Hacienda Nursing and Rehabilitation Center, Houston, Texas, and had been in that position for one (1) year and eleven (11) months.
8. On or about December 30, 2015, while employed as a Licensed Vocational Nurse with La Hacienda Nursing and Rehabilitation Center, Houston, Texas, Respondent failed to adequately assess Resident L.N., when it was reported to her by a Certified Nurse Assistant that the resident had a large quantity of blood in her brief. Respondent documents in the resident's medical record that she was notified of the bleeding and notes the bleeding, but make no other assessment of the patient until assessing vital signs two (2) hours later. The resident was found by the on-coming shift, continuing to bleed, and required transport to the hospital for a blood transfusion. Respondent's conduct was likely to injure the patient from unknown and/or undetected changes in condition and may have contributed to the patient's blood loss.
9. On or about December 20, 2015, while employed as a Licensed Vocational Nurse with La Hacienda Nursing and Rehabilitation Center, Houston, Texas, Respondent failed to document in the aforementioned Resident L.N.'s medical record, the physician's orders and/or instructions she received from the resident's physician regarding the resident's bleeding throughout her shift. Respondent's conduct resulted in an incomplete medical record and was likely to injure the patient in that subsequent care providers would not have accurate or reliable information on which to base their care decisions.

10. In response to the incident in Findings of Fact Numbers Eight (8) and Nine (9), Respondent states that she adequately assessed the resident when she was notified of the bleeding. Respondent states that she observed the resident to have what appeared to be vaginal bleeding with small clots. Respondent states that she notified the physician of the bleeding and that she was told to notify hospice, and the resident's family as well as continue to monitor the resident and her vital signs. Respondent states that she documented the orders that were received and her interventions.
