BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Registered Nurse License Number 822621 §  
& Vocational Nurse License Number 211866 §  
issued to IBRAHIM SESAY § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of IBRAHIM SESAY, Registered Nurse License Number 822621, and Vocational Nurse License Number 211866, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on December 29, 2016.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Hill College, Hillsboro, Texas, on August 10, 2007, and received an Associate Degree in Nursing from Paris Junior College, Paris, Texas, on May 21, 2012. Respondent was licensed to practice vocational nursing in the State of Texas on September 13, 2007, and was licensed to practice professional nursing in the State of Texas on July 12, 2012.

5. Respondent's nursing employment history includes:

9/2007 - 7/2012	Licensed Vocational Nurse	Lifecare Hospital Ft. Worth, Texas
9/2012 - 3/2014	Registered Nurse	Kindred Hospital Ft. Worth, Texas
7/2012 - 5/2016	Registered Nurse	Lifecare Hospital Ft. Worth
3/2014 - Present	Registered Nurse	John Peter Smith Hospital Ft. Worth, Texas

6. At the time of the incidents, Respondent was employed as a Registered Nurse with Lifecare Hospital, Ft. Worth, Texas, and had been in that position for three (3) years and nine (9) months.
7. On or about April 19, 2016, while employed as a Registered Nurse with Lifecare Hospital, Fort Worth, Texas, Respondent admitted Patient Number 15669 to the incorrect physician's care, and falsely transcribed the patient's physician's discharge orders from another facility as the admission orders. Additionally, Respondent failed to notify the admitting physician to ensure authenticity of the orders. Respondent's conduct resulted in an inaccurate medical record and was likely to injure the patient in that failure to administer proper treatment as ordered by the correct physician could have resulted in non-efficacious treatment of the patient.
8. On or about April 19, 2016, while employed as a Registered Nurse with Lifecare Hospital, Fort Worth, Texas, Respondent administered medications to the aforementioned Patient Number 15669 without physician orders. Respondent's conduct exposed the patient to a risk of harm from administration of medications without a physician's order.
9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent states he was told by the House Supervisor to take over a patient that had been admitted to the unit by another nurse in the prior shift, who started the admission but did not finish it. Respondent states the patient's labels had all been printed with the physician's name indicating someone had notified the physician the patient was in the building. Respondent states the house supervisor assumed someone had notified the physician then told Respondent to sign the telephone verbal order so the pharmacy can print the patient's medication administration record (MAR) and have medications on time. Respondent states he did complete the Medication Reconciliation, and admits he did not call the physician to obtain orders.
