BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 881092 §
issued to ROLAND ALLEN GUEDEA § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ROLAND ALLEN GUEDEA, Registered Nurse License Number 881092, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived notice and hearing and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on March 3, 2017.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree in Nursing from the University of Texas Health Science Center, San Antonio, Texas, on May 13, 2015. Respondent was licensed to practice professional nursing in the State of Texas on June 23, 2015
5. Respondent's nursing employment history includes:

July 2015 - Unknown	Registered Nurse	North Central Baptist Hospital San Antonio, Texas
---------------------	------------------	--

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with North Central Baptist Hospital, San Antonio, Texas, and had been in that position for eleven (11) months.
7. On or about June 8, 2016, while employed as a Registered Nurse at North Central Baptist Hospital, San Antonio, Texas, Respondent failed to timely and appropriately intervene after Patient Number 1615901186, who had a subdural hematoma and a history of anticoagulant therapy, exhibited signs of increasing intracranial pressure including a headache rated 10/10, increasing restlessness, widening pulse pressure, and a decrease in the patient's level of consciousness. Respondent's conduct was likely to injure Patient Number 1615901186 from undetected complications of continued hemorrhage and may have contributed to the patient's subsequent demise.
8. On or about June 8, 2016, while employed as a Registered Nurse at North Central Baptist Hospital, San Antonio, Texas, Respondent failed to notify the physician when Patient Number 1615901186, who had a subdural hematoma and a history of anticoagulant therapy, exhibited signs of increasing intracranial pressure including a headache rated 10/10, increasing restlessness, widening pulse pressure, and a decrease in the patient's level of consciousness. Instead, Respondent administered Narcan to the patient without an order. Respondent's conduct deprived the physician of the opportunity to institute timely medical interventions to stabilize Patient Number 1615901186, was likely to injure the patient from undetected complications of continued hemorrhage and pharmaceutical interactions including increasing blood pressure, and may have contributed to the patient's subsequent demise.
9. In response to Findings of Fact Numbers Seven (7) and Eight (8), Respondent states that he was never informed by the admitting physician that patient had a history of anti-coagulant therapy and there were no lab results that included an INR. Respondent denies that the patient exhibited clear signs of increasing intracranial pressure and he provided care based on information he had at the time. Respondent states he called the ICU nurse about pinpoint pupils instead of the admitting physician because earlier it had been difficult to reach the admitting physician to obtain admission orders and the experienced ICU nurse suggested for Respondent to administer Narcan. Respondent admits to the administration of Narcan without an order.
10. Formal Charges were filed on January 12, 2017.
11. Formal Charges were mailed to Respondent on January 12, 2017.

CONCLUSIONS OF LAW
